

According to the Florentine old-school way, we create unique leather bags and accessories, ensuring the high quality of Italian leather Goods.

Our production today is strictly made in Italy and relies on the work and experience of master craftsmen and tanners, to offer the best quality leather famous all over the world: The Florentine Leather.

ETHICS

Personal ethics is a moral duty to oneself and to others. Professional ethics is a duty to your product and to those who use it.

SUSTAINABILITY

Product longevity is the best way we have to take care of the environment. We create bags designed to last over time, and easily reconditionable.
