And finally...

- We welcome customers to visit our extensive showroom near Ravenna in Italy where we are happy to help with product selections and recommendations; we're just 4 hours from the Brenner Pass and 45 minutes from Bologna airport
- All products is shipped out of our local warehouse, typically in less than 7 days of receipt of order
- MOQ's for Italy-produced items are low, offering a personalised service
- Low minimum order value of Euro 150.00 means we can service even individual stores; orders over 600.00 Euro ship free (in Europe)
- Our sophisticated online B2B ordering system means customers can make selections, print their own 'catalogues' and even place orders directly with us
- All goods are already cleared in the EU, so no import duties or complications
- The company has been established since the 1970's and is now seeking to expand beyond it's traditional home market of Italy
- Italy is famous for both design and the Venice Carnival season - you're in good hands!
