"REAL DESIGN CREATIVITY BRINGS TOGETHER
FUNCTIONAL EXCELLENCE, TECHNOLOGY
INNOVATION AND AN ARTISANAL FAIR FOR DETAIL.
A BONGIO PRODUCT IS APPEALING BECAUSE IT IS
INNOVATIVE AND INNOVATIVE BECAUSE IT IS
APPEALING."

DESIGN & MADE IN ITALY STYLE

SHAPE
AND
FUNCTIONALITY

We work with designers and artists who share their ideas with us to create a TOTAL LOOK for the bathrooms where the WATER IT IS ALIVE ELEMENT FOR OUR WELLNESS.

At Bongio shape is substance and substance is shape. Design is part of our life and we constantly look for innovative solutions able to make functional a new piece of design.

COLORS IN THE GREEN

* Galvanic plant

- We offer a wide range of finishes , colors , galvanic treatment and these are our pride & joy.
- Through a time-tested semi-automatic systems, we check every single piece and component in the thickness, ensuring the strenght and brightness of each product.

* Painting system

- More than 30 standard finishes managed through a CERTIFIED GREEN SYSTEM to keep safe our workers and the ambience.
- 24-kt real yellow gold, 18-kt real rose gold in a thickens of powder of gold above all the items.
- Chrome plated surfaces more bright and resistant of the normal one, thanks to our patented

* Decors

- manual system that allow to leave the components as long as necessary, based on the shape of the item itself, final use and/or dimension or shape.
- Hand made silver and gold decors are available on different surfaces, even on our fine porcelain

WHICH IS YOUR CHOICE?
