MARINO

SPRING | SUMMER 2020

# NAUTICAL PERFORMANCE SPORT TIMEPIECES

**STRUMENTO MARINO** is an high tech diver watch brand born in 2013.

The first **STRUMENTO MARINO** collection was produced in “limited edition” for the North American.

Thanks to the un-expected success received in USA, Paolo Alfredo Giovine, the creator of the brand, decided to develop an international distribution strategy creating a worldwide concept.

Today **STRUMENTO MARINO** offer a perfect instrument for sea lovers to use during extreme watersport like regatta, diving, swimming, surfing, etc.

An extraordinary timepiece range with the below key factors:

- Italian concept
- Fantastic design
- Brilliant colors
- High-end technology
- Diving performance

Today **STRUMENTO MARINO** boasts an extensive catalogue of sports and divers watches, capable of reaching depths from 100 up to 1000 meters.

Uniqueness and mixing colors make **STRUMENTO MARINO** the perfect timepiece to be protagonist everywhere.
