ESTĒREL®

Beauté Avancée

Seal & Shine bottle 200 ml (6.7 fl.oz.)

Innovative Solution to give protection and new light to the hair . Enriched with natural silk proteins, it nourishes and restructures the fiber without weighing it down, defining the styling and giving a "glossy" effect with extreme brightness. Perfect for exalting shine and beauty of dyed hair. Its special formula is enriched with special natural concentrates, such as **Sericin Complex**, **Silk Proteins** and **Multi-active Complexes** containing **Melanin**.

It improves the cohesion of the capillary cuticle, preserving and prolonging the effects of color and any other cosmetic treatment. Great for thin hair. It does not weigh down.

Before drying, vaporize it on roots to get volume and density during styling. Distribute on the lengths and ends for an intense sealing action that makes the hair color long-lasting and brighter.
