5 FACE HEROES

Hydrolait Nettoyant (250 ml – 8.5 fl oz)

Soft like a milk, intensive like a mask, Hydrolait Nettoyant is received by the skin like a real privilege.

After the refined feeling on face and neck, the user can discover its powerful elasticizing and brightening effect that completes the perfect cleansing action.

Remove the signs of tiredness, recover your brilliant look, smile and enjoy the new elasticity of your skin.

The natural mix: Macadamia Oil, hydrolyzed wheat bran, hydrolyzed soy proteins.

Massage a small quantity on face and leave on a couple of minutes before rinsing.

LINE: PHYTO LIFTING

Golden Cream (jar 50 ml – 1.6 fl.oz.)

An extraordinary cream formulated with herbal ingredients for the successful treatment of wrinkles and age signs, keeping the skin moisturized and young. Special anti-aging pearls make the cream even more exclusive and fine.

The soft luxurious texture offers the perfect base for make-up.

Hyaluronic Acid microspheres, Seeds Oil of Rosa Mosqueta, Coenzyme Q10, Natural Extract of Borojo, Phytosomes of Jojoba Oil with Vitamine E take care of your beauty.

Apply morning and night with a light massage, as an absolute privilege for the skin.

LINE: GOLDEN AGE

LINE: GOLDEN AGE

Golden Filler (bottle 30 ml – 1 fl.oz.)

Italy is the country of love, passion, sensuality and beauty. Just the keys used by this concentrate face serum for seducing the skin since the first meeting.

The combined action of Hyaluronic Acid Microspheres, Seeds Oil of Rosa Mosqueta, Coenzyme Q10, Natural Extracts of Borojo, Micro-Collagen enriched by the natural stretching action of selected wheat proteins produces a delightful feeling on face skin. Highly effective for restoring beauty and elasticity: a real beauty miracle signed by Estérel. You can use it on eyes and lips area, or on whole face.

Delicately massage some drops morning and evening on clean skin. Do not rinse.

Golden White Peonia Serum (bottle 30 ml – 1 fl.oz.)

LINE: GOLDEN AGE

Intensive Serum to effectively treat hyperpigmentation, dull and uneven skin. The regular use prevents and favors the progressive attenuation of dark spots with an intensive moisturizing and nourishing action that protects from UV rays and ensures wellbeing effects.

Recommended for all skin types and specific for mature skin with dark spots on face and hands, the included extraordinary ingredients like Rosa Mosqueta Oil, Ceramide, Peony Flowers Extract, Maltodextrin Complex and Vitamin E boost the radiance and brighten the complexion.

Apply on clean skin, morning and night over face and hands.

Lifting Special

(deluxe box containing 10 ampoules x 5 ml –0.15 fl.oz.– each)

Aloe Vera (Aloe Barbadensis) extract is a real vitality concentrate, with soothing, healing, moisturizing properties. For this reason it is the base of this refined lotion enriched with our special herbal protein for an immediate filming action, stretching wrinkles and preparing the make-up. For a special evening, for a memorable event or for the daily care, Lifting Special will emphasize and preserve the natural beauty of the skin.

Using the proper devices supplied inside the box, open one ampoule and apply the content on face, neck and décolletage. Tap with the fingers and let absorb. Do not rinse.

LINE: PHYTO LIFTING

Contour des Yeux (30 ml – 1 fl oz)

This eye soft care gel is a really intensive fluid for eyes zone.

It controls the signs of age, treating wrinkles and removing the signs of tiredness.

Moreover, it restores shape and tone around the eyes, attenuating irritations.

Contour des Yeux has been formulated for attenuating shadows, small wrinkles and age signs on the zone around eyes.

The natural mix: Red Vine, Blueberry and a special mix of 3 active molecules reviving the tissues and improving elasticity.

Apply on the eye zone with delicate massages after cleansing and toning.

BODY FANTASTIC 4

LINE: SPA PRESTIGE

Cellulite 100 (bottle 300 ml – 10.1 oz.)

Bitter Orange Firming Cream for draining and invigorating treatments. Recommended for treating soft cellulite, in case of water retention, even in case of localized fat.

Its formula develops an effective slimming action, giving tone and brightness to the skin. The included essential oils of bitter orange, petit grain and cinnamon exalt the exotic SPA experience.

Cellulite 100 is an highly effective natural mix dedicated to beauty and wellness; it contains: jojoba oil, red algae extract and essential oils of bitter orange, petit grain and cinnamon.

No preservatives. No synthetic fragrances. No chemical dyes.

Apply on skin with a gentle massage. Do not rinse.

Mousse Extra Minceur (bottle 200 ml – 6.7 fl. oz.)

Strong effect body foam for effective slimming and anti-cellulite treatments.

Its innovative formula, including **bromeline (pineapple)**, **caffeine** and **cola nuts natural extracts**, is highly effective on hard and compact cellulite and on body fat excess.

Its light and pleasant texture allows an easy and complete application of the product. The body skin results smooth and refined.

This product does not contain: parabens, thiazolinones, formaldehyde releasers, paraffins, Synthetic chelating agents, dyes, SLES/SLES.

Apply morning and evening on gluteus, thighs, and belly, massaging with circular and upward movements till complete absorption. Shake before use. Do not rinse.

Lait Hydrosatin (bottle 250 ml – 8.4 fl. oz.)

After bath moisturizing body milk.

This body emulsion gives softness, tonicity and elasticity to the skin. Based on hydrolyzed vegetable proteins (from soy, wheat, malt) and allantoin it favors the collagen reconstruction, nourishing, and stimulating the cellular renewal.

This after bath moisturizing supple milk is studied for women, men and children and makes the skin soft and bright.

Apply it after shower or bath on whole body and let it absorb with delicate massages.
