AGENDA

1. About COVIND
2. Our Business
3. Our Presence
4. Our Diversity

A photograph of a warehouse interior. On the left, the front of a blue truck is visible. The rest of the image shows long aisles of high industrial shelving units filled with cardboard boxes. The perspective leads the eye down the center aisle towards a bright light at the far end. A semi-transparent dark banner is overlaid across the middle of the image.

ABOUT COVIND

AFTERMARKET EXCELLENCE FOR INDUSTRIAL AND COMMERCIAL VEHICLES.

Founded in Turin on April 22nd, 1980, as a project by Walter Bordonaro — now shared with his son and daughter, Lorenzo and Elettra — **COVIND** is an Italian company specialized in the design, production, and marketing of a wide range of body parts and cabin components for industrial and commercial vehicles.

With its multi-brand approach, **COVIND** is able to supply parts for vehicles produced over the past 60 years while also providing flexible and reliable solutions for the latest models.
