## GREEN LINE

### Professional blends

The Green Line includes a selection of fine Arabica and Robusta blends from **Rainforest Alliance** certified farms:

**Sublime:** 100% Arabica. Fine texture, floral notes, aromatic taste with good acidity

**Audace:** strong aroma, creamy taste with notes of dried fruit

**Excelso:** persistent body, intense aroma, taste with hints of hazelnut

The **Rainforest Alliance** is an **international non-profit organization** working to create a better future for people and nature.

By bringing diverse allies together, the Rainforest Alliance **protects forests, improves the livelihoods** of farmers and forest communities, promotes their human rights, and helps them mitigate and adapt to the climate crisis in bold and effective ways.

## PREMIUM LINE

### Professional blends

Caffè Ottolina Premium line blends for professional use are designed to enhance the taste and aroma of the real Italian Espresso:

**Puro Arabica:** 100% Arabica. Striped texture, delicate aroma, high acidity

**Classica:** well-balanced taste and aroma, creamy with smooth texture

**Fortissima:** round aroma, thick and persistent cream with notes of hazelnut

The choice of the fine origins composing the blends in the Premium line intensifies the **aromatic aspect of espresso**, highlighting its elegance and delicacy on the palate.

These blends are the result of our **long-standing experience** in the world of roasting and the evolution of **traditional recipes** crafted by our founder, Giulio Ottolina, over 75 years ago.

## VALUE LINE

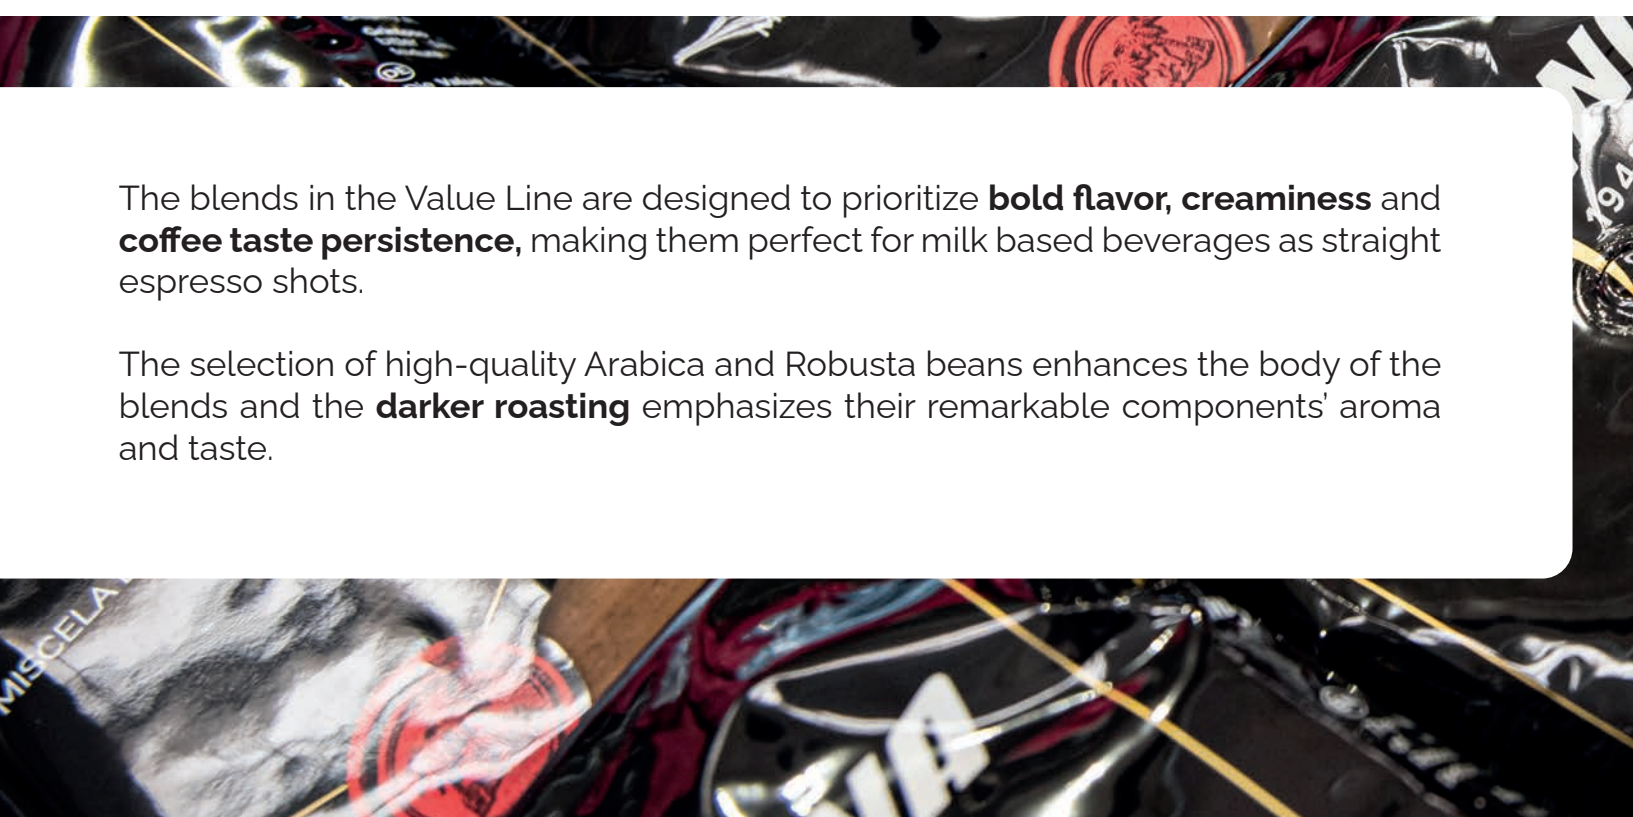

### Professional blends

The Value Line combines some very of well-balanced Arabica and Robusta origins for an excellent cup performance:

**Buongiorno:** round aroma, full bodied taste, thick and consistent cream

**Cremoso:** strong aroma, full bodied, creamy and definite caramel taste

**Grintoso:** intense flavour, slightly bitter taste, creamy and thick texture

The blends in the Value Line are designed to prioritize **bold flavor, creaminess** and **coffee taste persistence**, making them perfect for milk based beverages as straight espresso shots.

The selection of high-quality Arabica and Robusta beans enhances the body of the blends and the **darker roasting** emphasizes their remarkable components' aroma and taste.

# CAPSULES AND PODS

## For home and office

Caffè Ottolina has developed a line of capsules compatible with the Nespresso®\* system consisting of four fine coffee blends: **Audace** with its full and balanced aroma, **Sublime**, a very aromatic 100% Arabica, **Grintoso**, with its strong and persistent character, and **Decaffeinato**, for those who want to enjoy a cup of espresso without caffeine. Audace, Sublime and Decaffeinato also boast the prestigious Rainforest Alliance certification, which ensures the use of coffee produced following more sustainable and environmentally friendly agricultural practices.

We also added some delicious beverages that enrich the catalog of available options.

To increase the single portion offering, we introduced **ESE\* compatible pods** and **FAP\* capsules**, both available in traditional espresso and decaffeinated versions.

Completing the range is the **NESSIE** coffee machine, specially designed to enhance the taste of coffee and various beverages, available in a coffee ESE\* pods and Nespresso®\* compatible capsules version.
