### THE SEAT PROTAGONIST

"You will never forgive me. I certainly don't go unnoticed: in an audience of chairs, I'm the show. You recognize me by the backrest designed open or in solid wood. Upholstered, too. Or just one-third padded, if I feel like it. Comfortable for everyone, I'm full of versions that, for the most part, you can stack. If you pick me minimal, in wood without fabric, I look great even under the stars. I'm surely not a drama guy, me. But I can be the theatre of great events."
