 **Lenipsor+®**

Dermocosmetic indicated for dry skin,  
irritated and also for subjects tending to psoriasis.  
Made with 100% plant extract.

## LENIPSOR

It is a 100% botanical extract, patented\* for use on dry and irritated skin also prone or prone to psoriasis. It has been tested\*\* by over 200 volunteers with significant results. This innovative ingredient is present in all products of the Lenipsor+ dermocosmetic line.

## BIOACTIVE GEL

GEL indicated for dry and irritated skin also prone or subject to psoriasis. Constant use of BioActive GEL Lenipsor+® improves the appearance of the skin by helping to reduce bothersome desquamation. Extremely soothing, it provides relief and helps normalize and protect the epidermis.

**Sizes:** 100 ml / 30 ml

**Primary Pack:** Airless Dispenser / Tube with Dispenser

## BIOVITALITY BODY CREAM

Body cream with a comfortable texture, nourishes the skin giving an intense and lasting comfort. Improves the skin's natural self-defense capabilities and performs an antioxidant action by fighting free radicals.

**Sizes:** 200ml / 30ml

**Primary Pack:** Tube with flip top capsule

## BIOOTHERAPY HAND CREAM

Hand cream with a comfortable texture, nourishes the skin of the hands giving an intense and lasting comfort.

**Size:** 50ml

**Primary Pack:** Tube with flip top capsule

## BIORELAX CLEANSER BODY&HAIR

This special formula gently cleanses and moisturizes the skin, respecting the hydrolipidic film. Based on a special mix of delicate detergents, it is also indicated for the cleansing of the driest and most sensitive skins that immediately regain their natural balance and splendor. Given its delicate nature, it is also particularly suitable for cleaning and hair care.

**Sizes:** 250 ml / 30 ml

**Primary Pack:** Bottle with dispenser / Tube with flip top capsule

**\*Patent No. EP3082836B1**

**\*\*Tested on over 200 volunteers from 2016 to 2020.**
