## DAY FACE CREAM

Available in 50 or 250 ml format

Anti-aging moisturizing cream that promotes cellular regeneration of skin tissue. Soft, easy to spread, it leaves no residue that makes the skin shiny, but a very light impalpable protective film. Makes the skin visibly more relaxed, reducing wrinkles.

### EFFECTS

Progressive skin tightening  
Reduction of expression lines  
Elasticity and firmness

### FOR WHOM

Suitable for mature skin, even the most sensitive, subject to negative factors such as: stress, unfavorable climatic conditions, which reduce skin elasticity.

### HOW TO USE

Apply the cream to clean facial skin, paying particular attention to areas such as the sides of the nose, the space between the eyebrows, the chin and, above all, in those areas where wrinkles tend to form or where the skin is more likely to show the first signs of sagging.

ACTIVE INGREDIENTS & BOTANICALS OLIGOPEPTIDE-5 Anti-aging molecule. FOOD GRADE HYALURONIC ACID Food grade hyaluronic acid, medium and low molecular weight. RECONSTITUTED N.M.F. Natural Moisturizing Factor, composition of natural hydrating factors.

Retail price  
€59.00
