

HACCP SELF-CONTROL PLAN

The Self-Control Manager: ALESSANDRO ROSSI

of the company L 'ARTIGIANA DEL FUNGO - Sassello snc

based in SASSELLO LOCALITA 'AICARDI prov. SV

declares that

a self-control plan is carried out at this company, as required by art. 5 of the C.E. n. 852/2004 on the preparation, implementation and maintenance of procedures based on the principles of the HACCP system and of what is established by all other sector regulations Reg. CE 853/04, 183/05, 178/02

therefore its correct application guarantees food safety.

Furthermore, it is declared that:

1. the food products meet the microbiological criteria of the EC regulation 2073/2005;
2. the treated mushrooms are subjected to mycological control by an expert mycologist registered in the mycological register of the autonomous province of Trento at n.174 and n. 936 of the national register of mycologists.

The company control plan is at your disposal for any vision at our office.
