L'APEVOLA -SPRING / SUMMER 2026

New 2026 accessory PXX TRAY

PXX TRAY

Elegance has a new shape: transparent, Liquid Gold or Liquid Silver.

Whether you prefer the timeless warmth of Liquid Gold, the modern brilliance of Liquid Silver or discrete transparency, this tray will enhance every table setting.

The tray is designed to comfortably accommodate your set of R300 placemats.

It features an internal compartment specifically sized to hold a set of 4 placemats (4 mm thickness). It ensures harmonious stacking and a secure grip via the contoured handles.

An essential accessory for those who value every detail of their table styling.

With just a single placemat, your tray transforms into a decorated tray.

Vibrant brilliance of Lamé fabric

Due to the double acrylic glass protection, this placemat has no "top" or "bottom". Light makes the metallic weave shine, creating a play of reflections on your table.

Double-sided Design: Perfect and transparent on both sides

Total thickness 5 mm
