# AGE|ACTIV

Born in the Matt research laboratories, **the new AGE Activ Line**, completely renewed and expanded with even more concentrated formulas and innovative active principles used in esthetic medicine to offer avant-garde anti-age solutions and for effectively fight wrinkles and signs of aging.

Matt AGE Activ is composed of **4 lines**, characterized by 4 different and precious active principles, with specific functions.

**HYALURON FILLER** Pure Hyaluronic Acid **3P** Line nourishes the skin from inside acting on different epidermic levels.

**ANTI GRAVITY** Bioactive Peptide Ceramides Line helps counteract the effect of gravity, recompacts and redensifies the skin.

**INTENSIVE LIFTING** Viper Serum Line slows the formation of wrinkles and expression lines thanks to an immediate stretching effect.

**SKIN PERFECT** Pure Snail Secretion Line exerts a regenerative action on the skin, making it more compact.
