

developing your projects in food and beverage

A team of skilled managers
passioned for food,
reliable and dedicated

have been working since 2001
for many European Manufacturers
and Store Chains in FMCG.

We develop new recipes and products,
we select Manufactures
by quality and reliability.

We develop private label projects
from A to Z.

We develop innovative projects
in example vegan line.

We run store checks
and create cost exercises.

We organize logistics for ambient,
chilled or frozen products.
