PRODUCT CATALOGUE

Company

About us: Modena Estense brings together a group of manufacturers who have developed high-quality products and exclusive recipes under the brand Modena Estense. We offer products that guarantee the consumer the best level of “value for money” and satisfaction in terms of quality of the ingredients and best taste in each product group. Thanks to this the consumer knows that regardless of the product he will buy, choosing Modena Estense he will never be disappointed!

Current markets: Italy, Germany, Austria, Spain, France, Netherlands, Belgium and Sweden.

Pasta

Our range includes all the most popular shapes, even as organic, whole grain and spelt variants.

All our pasta is extruded through bronze dies and has a protein content of at least 13%.

Of course our assortment includes egg pasta. Produced exclusively with 100% Italian durum wheat semolina and eggs – without using water.
