ORIGINAL CUSTOM PROJECTS

The mission of our group is the internationalisation of *Made in Italy* as a global concept in the development of projects based on undisputed quality and originality of design, the attention to and choice of materials, combined with meticulous and impeccable installation.

VezzDesign's goal is to translate the *idea of each client* into projects characterised by a personality and by an originality that identify the relevant need.

CONTRACT

The Contract branch is the division that caters to the entire construction world and offers to provide a series of services to its customers starting from the study of specific needs to then translate them into operational solutions that respond to the investor's requirements.

The solutions can be applied to all types of projects, including executive solutions, to hotels, industrial and holiday residential villages and to hospital facilities, both in the public or private sector.

since
1998

VeZZDesign is an *international group* that deals with the development and implementation of projects aimed at the sector of the constructions of hotel, residential, industrial and hospital complexes. The group began to develop its expertise in 1998 and expanded into the territories of the Middle East and North Africa.

MADE IN ITALY

VezzDesign improves the quality of raw materials by creating innovative design products, highlighting the taste and quality of Made in Italy. In the heart of the city of Crema we develop and produce all our products with passion.
