# NATURAL SEITAN

Seitan is a 100% vegetable-based food made of gluten extracted from Canadian soft wheat of Manitoba origin through a process of "washing" and then cooking. It is similar in consistency and protein content to meat (15-20%), but it is devoid of saturated fats and is high in protein. It is prepared with shoyu soy sauce typical of Japanese cooking.

RICCO DI PROTEINE

Code  
12401

Code  
12405

Article No.	Description	Package Content	Ingredients
12401	Natural Seitan	400g	Manitoba wheat flour* 70%, water, shoyu soy sauce* (water, soybeans*, wheat*, sea salt), ginger*, kombu seaweed.
12405	Single Portion Seitan	200g	Manitoba wheat flour* 70%, water, shoyu soy sauce* (water, soybeans*, wheat*, sea salt), ginger*, kombu seaweed.

# HANDMADE SEITAN

Compact slices with an irregular shape obtained starting from soft Manitoba wheat flour and gluten, then worked by hand. Different from other types of seitan thanks to its soft texture and more intense flavour.

# GINGER POWDER

Ginger is a medicinal plant from Eastern Asia. The plant is used by cooking the rhizome (also called root), often grated or reduced in powder with a typical pungent taste. It is suitable for seasoning main dishes, legumes, vegetables, as well as for aromatizing sweets and herbal teas.
