WITH SOURDOUGH

## DESCRIPTION

Handcrafted panettone, naturally leavened with sourdough. We use either extra virgin olive oil or a combination of fats such as shea butter and sunflower oil, that give the cake extra-softness. All our panettoni, with the exception of Grangusto with raisins and candied orange, are also vegan.

## DID YOU KNOW THAT

Sourdough is a natural yeast obtained through the fermentation of two very simple products, water and flour. It is a great heritage of Verde Bio bakers that take care of it daily, with expertise and passion.
