

CAFFÈ TESTA

PREMIUM
ROASTED
COFFEE

Caffè Testa is a company from Piemonte (ITALY) that was born from Michele Testa's dream: to provide business solutions in the coffee world to international food distributors who want to differentiate themselves for high quality while maintaining an affordable entry price.

Thanks to the lean corporate structure and the expertise of CAFFÈ TESTA, the potential partner will be able to share the most effective and rapid strategies to achieve success in the market.

The Testa family, the company's flexibility and the extreme attention paid to the entire production process, especially the roasting process, which is seen as an art, are today the winning features in the coffee market, which is in continuous growth and evolution at a global level.

A complete portfolio, 5 blends to cover the market needs: beans, ground coffee and Nespresso compatible capsules. CAFFÈ TESTA also offers third-party productions to support private label in line with the local requirements.
