OUR SERVICES

WHO WE ARE

Blog S.R.L. is a FOOD & DRINKS distribution company on the market since 2011. After getting experience and with the support of the largest Italian and International MultiNationals, the company has oriented its system distribution towards online sales, extending its competitiveness towards those companies that still have not perceived the enormous potential of B2B online commerce and which remain linked to a traditional distribution model. The company was born from the need to carry out a wholesale business of consumer products for distribution throughout the national and international territory. Our portal is the right place to search, choose and buy quality products in complete safety, eliminating the distance between Buyer and Seller.

WHY WORK WITH US?

- ✓ Online B2B for exclusive use by operators in the sector.
- ✓ Simplified purchasing process via web platform.
- ✓ Automation of weight and load volume calculations with integrated algorithm.
- ✓ Various automatic discount options on multiple quantities.

CUSTOMER SUPPORT

Blog srl Teams provide the expertise and experience of a big network and strong support in the Worldwide wholesale sourcing and transaction processing. Based on tools and business relations, dealing works perfectly in most cases. In any kind of problems, you are not alone and you can expect immediate personal support and a fair solution.

OPTIMIZATION OF LOADS

Thanks to the order procedure available on our B2B you will have the possibility to choose the type of shipment and the method of loading. Your cart will automatically be updated gradually with the percentage of products loaded until the volume and weight suitable for the type of load chosen is reached. This system will allow you to place more precise orders in less time.

SAFE PAYMENTS

Thanks to our banks, we guarantee maximum transparency and security during payment transactions while the confirmation of the orders.
