

ELISIR D'ARGAN[®]

UNICO OLIO D'ARGAN PURO 100% BIO

*"From Nature
to your
Skin"*

Elisir D'Argan, present on the market since the Benefits of Argan Oil weren't known as much as today.

The Passion for the naturalness of the products used for skin care lead Nicoletta V. to the creation of a Cosmeceutical Line based on Pure Argan Oil in maximum quantities in the formulas.

Products studied without harmful ingredients for the skin and which alter its physiological pH, through the selection of natural ingredients and from organic farming. Ideal for Women, Men and Children.

Nicoletta V. Founder

Mom, before Entrepreneur.
Present in command today, and in the front row for the creation of Cosmetic Products, which meet the criteria that she herself imposed 14 years earlier.
"Natural, accessible and suitable for all skin types, from children to adults, these are the foundations on which we develop our product".

*"We formulate Natural Cosmetic Products
for any skin condition"*

Our Unique Pure Argan Oil

The import from controlled
cooperatives in Morocco, the
filtration and packaging in our
laboratory in Italy with safety
analysis certificates for each
production lot, guarantee our
values.

A job that requires **PASSION**

This image represents local Women's Work

Gathered in cooperatives, the local women carry out the whole process of processing the Argan nuts up to the pressing. Harvesting, Shelling and Squeezing. manual processing, and the absence of pesticides guarantee an **EXCELLENT** result

In 1999, UNESCO recognized and classified the Argan Tree as a World Heritage Site. International Argan Day is celebrated on May 10th.

Did you Know ?

They discovered the **EFFECTIVENESS** of Argan by noticing that the hands of the women who worked it they were very soft and **FREE** of wrinkles. The cosmetic use developed accordingly.

Quality Guarantees

Our Packaging is eco-sustainable and with FSC Certification.

All boxes are made with paper from certified forests, because they are managed according to rigorous environmental, social and economic standards.

Choice of accredited Italian Laboratories for Safety and Efficacy tests

Scientific study approved by the University of Ferrara and by the Ministry of Health

Certificates of Safety Analysis for each Production Lot

A significant reduction in storage time demonstrates the absence of synthetic chemical preservatives, effectiveness is guaranteed only in the first 6 months after opening the product.

UNICO OLIO D'ARGAN PURO 100% BIO

ARGAN OIL

PURE ARGAN OIL

DESCRIPTION

100% PURE Argan Oil

Imported directly from Morocco, it is **filtered and packaged in our laboratory in Italy** without the addition of other substances (chemical or otherwise).

Elisir d'Argan's mission is to safeguard all its fantastic 100% NATURAL properties, ideal for the skin care of babies, children and adults.

Thanks to its natural composition, **the molecules are ten times smaller than other types of oils**, thus facilitating easy absorption without **leaving a trace of greasiness**.

50 ML

Quantity: 50 ML

Internal code: 1198

ACTIVES PRINCIPLES

- **100% Organic Argan Oil:** multivitamin, nourishing, anti-aging, antioxidant.
- **80% Omega 3 and 6, Unsaturated Fatty Acids (Linoleic and Linolenic):** moisturize the skin and stimulate cell turnover.
- **Vitamin A:** stimulates the production of connective tissue, healing effect.
- **Vitamin E:** antioxidant, anti-inflammatory, limits action skin ageing.
- **Vitamin F:** or "Skin Vitamin", stimulates and regenerates epithelial cells and improves skin conditions.

100 ML

Quantity: 100 ML

Internal code: 1199

HOW TO USE

FACE: apply it morning and evening, alone or in synergy with your daily cream. Also ideal for men as an aftershave.

BODY: apply it every day to keep skin hydrated, elastic and toned. In the presence of stretch marks, scars or pregnancy, apply it at least two or three times a day, massaging with circular movements. Ideal after epilation.

HAIR: apply it on dry ends and/or as a mask before shampooing. Restructures and nourishes the hair fiber.

HANDS: apply it on the nails as a strengthener and moisturizer for the cuticles.

PEELING MASK

PRICE LIST

Quantity: 50 ML

Internal code: 1302

DESCRIPTION

Peeling Mask combines the exfoliating properties that stimulate natural biological cell recycling with the properties of a **moisturizing face mask**.

It is ideal for regenerating dull and tired skin. The 100% natural and organic oils present in the formula such as **Argan, Jojoba, Avocado and Almonds** deeply moisturize and nourish the skin while the **micro-granules of rice** gently remove skin impurities thus promoting microcirculation. Prolonging the pose, thanks to its soft and delicate texture, it becomes an excellent **detox mask** that restores tone and brightness to the skin, without drying it.

ACTIVES PRINCIPLES

- **100% Organic Argan Oil:** multivitamin, nourishing, anti-aging, antioxidant.
- **Dry Rice Extract:** natural exfoliant.
- **Jojoba Oil:** emollient, nourishing, moisturizing.
- **Avocado Oil:** rich in essential fatty acids (oleic, linoleic and linolenic) and vitamins (A, B1, B2, D, E).
- **Sweet Almond Oil:** moisturising, emollient.

INGREDIENTS

INCI: Aqua**, Glycerin**, Oryza sativa powder**, Ethylhexyl cocoate**, Glyceryl stearate citrate**, Persea gratissima oil**, Cetearyl alcohol**, Glyceryl stearate**, Butyrospermum parkii butter*, Oryza sativa starch**, Prunus amygdalus dulcis oil*, Argania spinosa kernel oil*, Simmondsia chinensis seed oil**, Cocos nucifera oil**, Ethylhexylglycerin, Parfum*, Xanthan gum**, Lonicera caprifolium flower extract**, Lonicera japonica flower extract**, Olea europaea leaf extract**, Sodium gluconate**, Lactic acid**, Hydrolyzed pea**, Tocopherol**, Beta-sitosterol**, Squalene**.

DESCRIPTION

Formulated with Hyaluronic Acid, Swiss Apple Stem Cells and Hexapeptide-8, known as Natural Botulinum, **Elite Cream** acts as an **inhibitor of facial muscle contraction**, contributing to the **reduction of wrinkles, including the deepest ones**. In addition, the Argan Oil present in the formula helps **mitigate skin hyperpigmentation**.

Regular application of this product on the facial skin can lead to a 67% increase in skin tightening, resulting in improved skin brightness and tone.

ACTIVES PRINCIPLES

- **100% Organic Argan Oil:** multivitamin, nourishing, anti-aging, antioxidant.
- **Hexapeptide-8 (Argireline, known as Natural Botulinum):** avoids the contraction of facial muscles, smoothing even the deepest wrinkles.
- **Polysaccharides:** form an elastic network on the skin, continuous and resistant, for an immediate and long-lasting lifting effect.
- **Swiss Apple Stem Cells:** protective, antioxidant, anti-aging.
- **Hyaluronic Acid:** hydrating, intensive, plumping, keeps the skin's hydro-lipid film healthy.
- **UVA and UVB filters.**

FACE LINE

BIO CELLULOSE LIFTING MASK

PRICE LIST

Quantity: single use

Internal code: 1104

DESCRIPTION

Bio Cellulose Lifting Mask, recompacts, restructures and smoothes the skin of the face by nourishing it in depth, reducing wrinkles. Thanks to its exceptional composition in Bio Cellulose, in synergy with the active ingredients that compose it, it works on several fronts:

ACTIVES PRINCIPLES

- **Pure Argan Oil** acts on the elasticity of the skin;
- **Organic Hemp Oil** deeply nourishes and hydrates by carrying out an antioxidant action thanks to their multiple components such as Omega 3/6, Vitamins of group B and C, coenzyme Q10 Cinnamic acid.
- **Sugaderm AGE** performs an Osmoprotective function towards cells and membranes, stimulates the main anti-aging markers such as Elastica, Collagen, Fibrillin and Decorin.
- **Rosa Damascena flower** extract acts directly on the dermis providing hyaluronic acid with a plumping and filling action.

INGREDIENTS

INCI:Aqua, Coco-caprylate, Arachidyl alcohol, Behenyl alcohol, Dicaprylyl carbonate, Cannabis sativa seed oil, Coco-caprylate/caprate, Arachidyl glucoside, Argania spinosa kernel oil, Ethylhexylglycerin, Glycerin, Potassium cetyl phosphate, Lonicera caprifolium flower extract, Lonicera japonica flower extract, Sodium gluconate, Pentylene glycol, Aloe barbadensis leaf extract, Sodium hyaluronate, Cannabis sativa seed extract, Vaccinium myrtillus fruit extract, Honokiol, Arabinose, Rosa damascena flower extract, Fucose, Fucosyllactose, Lactic acid

DESCRIPTION

The **Anti-aging Face Mask** uses a gel formulation, reinforced with the combined use of **Hyaluronic Acid and Ginseng Extract**, in order to revive and mitigate the skin in a state of **fatigue and stress**.

In the formulation, the antioxidant agents give the **skin greater elasticity, better firmness and deep hydration**, thus contributing to a plumping effect.

ACTIVES PRINCIPLES

- **Ginseng extract:** toning, anti-aging and revitalizing action, helps to make the skin more elastic and brighter for a firm, smooth and compact effect. Fights the formation of wrinkles and increases the hydration of skin tissues by improving microcirculation;
- **Hyaluronic Acid:** hydrating active ingredient par excellence, it is able to retain water molecules in the skin, keeping it soft and elastic. It restores volume to the skin making it more puffy and full;
- **Sodium salt of acid:** it is an ecological preservative with high skin tolerability. Inhibits the proliferation of microorganisms.

FACE LINE

CLEANSER MOUSSE NUVOLA

PRICE LIST

Quantity: 150 ML

Internal code: 1325

DESCRIPTION

The **Mousse Detergent Nuvola** is a creamy and velvety formulation enriched with active ingredients that aim to **preserve the natural hydration of the skin and keep it nourished**, even when it comes to particularly sensitive skin.

ACTIVES PRINCIPLES

- **Betaine:** amino acid present in beetroot has emulsifying and cleansing properties.
- **Aloe Barbadensis:** active obtained by cold pressing, it mainly acts as a super skin hydrator and soothing agent. It also has antifungal, antimicrobial, healing and anti-reddening properties; stimulates the production of collagen and elastin, helping to counteract skin aging.

INGREDIENTS

INCI: Aqua (water), Cocamidopropyl betaine, Caprylyl/capryl glucoside, Glycerin, Aloe Barbadensis leaf extract, Tocopheryl Acetate, Profumo/parfum (fragrance), Phenoxyethanol, Ethylhexylglycerin

DESCRIPTION

The *Purifying Soothing Face Mask*, enriched with Aloe and Tea Tree, is a product specifically recommended for use on **skin characterized by impurities, dullness and loss of vitality**.

Its formulation, which incorporates a complex of acids, works to **regulate sebum secretion** and reduce the size of pores. In this way, **greater luminosity of the skin is promoted**, while at the same time the unwanted shiny effect is eliminated.

ACTIVES PRINCIPLES

- **Aloe Barbadensis:** active obtained by cold pressing, it mainly acts as a super skin hydrator and soothing agent. It also has antifungal, antimicrobial, healing and anti-reddening properties; stimulates the production of collagen and elastin, helping to counteract skin aging;
- **Tea Tree Oil:** antibacterial, antifungal and antiseptic action. Its action for topical use on skin such as eczema and psoriasis is significant, as it helps balance the production of sebum and promotes the disinfection of hair follicles;
- **Salicylic acid:** it is an organic acid derived from salicin, used for the treatment of acne and skin inflammation, impure skin with dilated pores, all those conditions linked to flaking or skin hyperkeratosis.

FACE LINE

BALANCE CREAM MATTIFYING

PRICE LIST

Quantity: 30 ML

Internal code: 1326

DESCRIPTION

The *Antipollution Mattifying Balance Cream* has been specially formulated to counteract the hyperproduction of skin sebum and to reduce related inflammation. Equipped with an **SPF 30 and an antipollution factor**, this cream offers a defense against environmental damage, making it particularly **suitable for impure and acne-prone skin, especially after a peeling treatment**, as the sun filter prevents the risk of irritation caused by sunlight. Furthermore, from the first application, the cream **contributes to mattifying the skin (eliminating the shiny effect)** and camouflaging skin imperfections.

ACTIVES PRINCIPLES

- Antipollution and sebum-balancing red algae: it is a red algae that owes its color to the red pigments, phycoerythrins, which broaden the energy absorption spectrum, making life possible in the depths of the sea.
- Vitamin PP (Nicotinamide): Vitamin PP is one of the most essential rejuvenating active ingredients because it helps increase the production of collagen and elastin, which makes the skin more relaxed and toned, minimizing the appearance of wrinkles.
- Nicotinamide stimulates the production of ceramides and fatty acids, improving the state of the skin's lipid barrier.
- SHEA BUTTER (butyrospermum parkii butter): The shea product is used in cosmetics thanks above all to the high percentage of its unsaponifiable fraction which can reach 15%.

INGREDIENTS

INCI: Aqua, Dibutyl adipate, Ethylhexyl triazone, Ethylhexyl salicylate, Butyl methoxydibenzoylmethane, Niacinamide, Aluminum strach octenylsuccinate, Caprylic/capric triglyceride, Propanediol, Cetearyl alcohol, Simmondsia chinensis seed oil, Butyrospermum parkii butter, Methyl glucose sesquistearate, Sodium polyacrylate starch, Bis-ethylhexyphenol methoxyphenyl triazine, Bisabolol, Quercus Robur Root Extract, Butylene glycol, Hydrolyzed rhodophyceae extract, Potassium cetyl phosphate, Sodium phytate, Xanthan gum, Parfum, Phenoxyethanol, Ethylhexylglycerin, CI42090, CI19140

DESCRIPTION

Hydra Balance is a remineralising, hydrating and soothing cloud of water. Rehydrates the skin of the body and/or face while giving a **pleasant sensation of well-being** and delicately scented vitality. Ideal especially in the summer period.

ACTIVES PRINCIPLES

- **Bergamot essential oil:** purifying, sebum-regulating and antibacterial.
- **Hyaluronic Acid:** moisturizing, intensive, plumping,
- **Plant Collagen:** promotes skin elasticity with a smoothing and toning action, helps limit skin deterioration;
- **Organic Blueberry Extract:** hydrating, protective, allows an antioxidant action.
- **Argan Oil Extract:** multivitamin, nourishing, anti-aging, antioxidant.
- **Saccharide Isomerate:** complex of carbohydrates (sugars) that bind to water molecules.
- **Rhodiola Rosea extract:** emollient action, protects the skin

STARDUST CREAM

PRICE LIST

Quantity: 150 ML

Internal code: 1311

DESCRIPTION

Dust of Stars is an excellent body emulsion against common blemishes such as: dehydration, atony, orange peel skin. Easy to apply, **easily absorbed**, it counteracts natural skin aging leaving the skin incredibly **silky, soft and perfumed**. Stardust gives a **natural luminosity** thanks to the **pigments d'Oro edible** present inside the product.

ACTIVES PRINCIPLES

- **100% ORGANIC ARGAN OIL:** multivitamin, nourishing, anti-aging, antioxidant.
- **SHEA BUTTER:** regenerating, emollient, moisturizing, prevents tissue atony.
- **VITAMIN E:** antioxidant, anti-inflammatory, prevents skin aging.
- **ARGAN LEAF EXTRACT:** gently cleanse.
- **MICA:** gives luminosity and brilliance.
- **ALLANTOIN:** smoothing.

DESCRIPTION

Draining Cream, is effective for counteracting water retention on the abdomen, hips, buttocks and legs.

The Dead Sea salt and the iodized compound are the main active ingredients with proven efficacy, which help to eliminate water from the body.

This Draining cream is a valid support for keeping the results obtained constant throughout the year, even after a cycle of treatments previously performed at the Institute.

ACTIVES PRINCIPLES

- **100% Pure Organic Argan Oil:** multivitamin, emollient and restructuring.
- **Dead Sea Salt:** decongestant, with detoxifying, draining action.
- **Iodine compound:** toning, firming, reduces wrinkles.

Olio d'Argan: la cura della pelle di tutto il corpo

L'Olio d'Argan da una decina di anni ha monopolizzato l'attenzione dei mercati internazionali dei prodotti cosmetici. Elisir d'Argan segue tutto il suo processo, dall'importazione diretta dal Marocco fino alla sua lavorazione, filtraggio e confezionamento in Italia. L'Olio d'Argan Elisir d'Argan è: l'unico olio d'Argan puro 100% biologico. L'azienda propone una linea completa di benessere naturale per la pelle di viso, corpo e capelli. Prodotta e confezionata esclusivamente in Italia segue le normative cosmetiche e scrupolosi controlli. Inoltre, non contiene: Petrolati, Parabeni, Coloranti, Siliconi, Sls/Sles/Peg, Nichel, Glicole Propilenico, Ftalati. È un prodotto multivitaminico (A-E-F), nutriente, ipoallergenico e anti-age per eccellenza. Grazie alla sua composizione naturale, le molecole sono dieci volte più piccole rispetto ad altre tipologie di oli, favorendo quindi un completo assorbimento, senza lasciare traccia di untuosità. Consigliato per tutte le tipologie e condizioni della pelle, anche le più sensibili, di neonati, bambini e adulti. Per il viso: qualche goccia nella beauty routine, rinforza l'effetto rimpolpante e tonificante donando alla pelle luminosità e compattezza. Se applicato ogni sera sulla zona interessata, prima di andare a dormire, è inoltre un valido alleato per pelli segnate da macchie e rughe. Per la pelle: un bagno è quello che ci vuole per idratare la pelle di tutto il corpo. Per un trattamento efficace, Elisir d'Argan consiglia di mettere alcune gocce all'interno della vasca. Il risultato sarà una pelle liscia ed elastica. Oppure, dopo la doccia, prima di asciugare completamente il corpo, applicare alcune gocce di olio e svolgere un leggero massaggio. Lenitivo e cicatrizzante: in caso di bruciatura l'olio d'Argan velocizza la guarigione e la cicatrizzazione, grazie alle proprietà rigeneranti e agli acidi grassi che favoriscono il rinnovamento cellulare. Ma non solo... l'olio è un valido alleato della pelle durante tutte le tipologie di trattamenti oncologici. La pelle è il primo organo colpito da tali trattamenti e molto spesso è disidratata, atona e fragile. Unghie forti: unito al succo di limone, un cucchiaino di olio d'Argan è un rimedio fai da te per risolvere il problema di unghie fragili, che si spezzano e si sfaldano facilmente. DALLA NATURA I BENEFICI COSMECEUTICI SULLA PELLE

**Direttamente dalle piante del Marocco, l'azienda
veneta Elisir d'Argan importa e confeziona in Italia
l'unico olio d'Argan puro 100% biologico**

È così prezioso da essere definito l'"oro del deserto" perché ha origine dalla pianta denominata Argania Spinosa che cresce esclusivamente a nordest di Agadir e per il suo processo di produzione svolto dalle cooperative di sole donne. Parliamo dell'olio d'Argan, un prodotto millenario - dal profumo di nocciola e dal colore giallo oro - che viene usato da sempre nella tradizione berbera per la cura della pelle del viso e del corpo. Il progetto "Elisir d'Argan" nasce nel 2009 e segue tutto il processo dell'olio d'Argan: dall'importazione diretta dal Marocco fino al suo filtraggio e confezionamento nel laboratorio in Italia. Naturale al 100%, ricco di tocoferoli, vitamina A-E-F e acidi grassi omega 3 e omega 6, è consigliato per tutte le tipologie e condizioni della pelle di qualsiasi età. "La mission di Elisir d'Argan - spiega la titolare Nicoletta - è da sempre quella di salvaguardare tutte le sue molteplici e naturali proprietà. Per questo motivo l'olio d'Argan Elisir d'Argan è l'unico olio d'Argan puro 100% biologico". "È un prodotto - aggiunge - che non va a sostituire

nulla, bensì va a integrarsi all'interno della beauty routine di ogni cliente. Non avendo controindicazioni, può essere utilizzato anche in situazioni in cui la pelle è molto delicata e sensibile. Ho testato personalmente le proprietà benefiche dell'olio d'Argan puro a causa di un problema oncologico in famiglia e ho potuto verificare di persona tutti i suoi effetti benefici visibili già dopo poche applicazioni". Dalla formulazione 100% pura dell'olio d'Argan, Elisir d'Argan ha realizzato l'innovativo olio d'Argan ozonizzato 2.500 ppm. Una formula combinata tra olio d'Argan e ozonidi che esaltano tutte le proprietà dell'olio rendendolo un vero e proprio trattamento mirato ad azione d'urto, rigenerativo e riparatore che dona nuova vita a pelli stanche, atone, disidratate e segnate da macchie e rughe. È scientificamente dimostrato che l'ozono associato all'Olio d'Argan ne potenzia le proprietà rigeneranti e tutte le caratteristiche anti-aging, non altera il pH fisiologico, non irrita la pelle e non va a interagire con farmaci o altre terapie in corso. "Essendo anche questo un prodotto 100% naturale - spiega

L'Olio d'Argan Ozonizzato è un processo combinato tra olio d'argan puro ed ozonidi, che esaltano tutte le proprietà dell'olio, rendendolo un vero e proprio trattamento mirato ad azione d'urto, rigenerativo e riparatore

Francesca, responsabile marketing e comunicazione di un'azienda tutta al femminile - è un prodotto ideale per rivitalizzare e migliorare tutte le tipologie di pelle. A sostegno di questo prodotto, Elisir d'Argan ha creato una linea cosmetica, per viso e corpo, naturale e biologica, a base di olio d'Argan, in grado di soddisfare ogni esigenza della pelle in qualsiasi fascia d'età".
