AGRICOLA PICONI

TRADITION AND INNOVATION FOR OVER 50 YEARS

From the producer to the consumer, it's not just a simple expression for the Piconi farm.

We cultivate our seeds with attention and care because we expect the best from **our land**.

We check, execute and **guarantee** each passage of our **food chain**.

Our production is **tracked** and **certified** from the sowing to the finished product, to offer the maximum of the quality. Only in this way **authentic taste** is obtained from raw materials.

QUALITY CERTIFICATION

The mission of the Azienda Piconi is established solid and long-lasting collaborative business **relationships** with customers and retailers, aiming a constant **respect for mandatory** and voluntary **safety regulations** on food.
