ABOUT US

Foxydry is an Italian company specialised in the production of **innovative, high-quality drying racks**.

Located in Sernaglia della Battaglia, in the province of Treviso, Foxydry combines traditional craftsmanship with **state-of-the-art technology** to create products that meet customers' needs for practicality and

style. Each drying rack is designed with attention to detail, using **durable materials** and state-of-the-art manufacturing techniques to ensure durability and functionality.

Dedication to **innovation** has enabled Foxydry to distinguish itself in the international market, receiving recognitions and praises from consumers and industry experts.

ADVANCED TECHNOLOGY

The beating heart of Foxydry is its **state-of-the-art production facility**, where every stage of production is carefully monitored to ensure the highest quality standards.

Thanks to the integration with **Industry 4.0**, Foxydry uses **advanced technology** to handle every requirement with **precision and efficiency**, ensuring the highest

quality. Our drying racks are manufactured with **high-quality aluminium structures and finishes**, ensuring robustness and resistance to atmospheric agents

The efficient organisation of our factory allows us to handle every order with precision, guaranteeing fast delivery times and impeccable customer service.

FOXYDRY PRO

Foxydry Pro is the **electric drying rack** that redefines the concept of **practicality and design**. Appreciated throughout Europe, it has become a reference for those searching for **innovative solutions**.

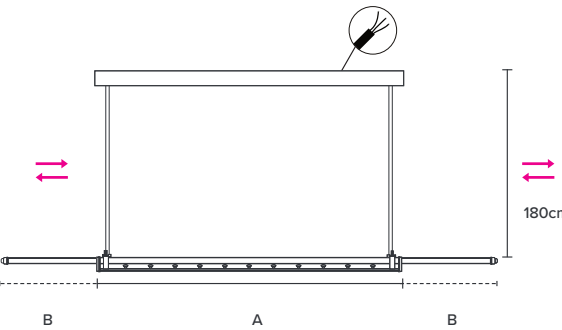

With a simple **remote control**, Foxydry Pro gently raises and lowers, allowing you to make the most of the space in your home. Equipped with **two fans** that **emit**

warm air, it accelerates the drying process, making laundry handling even more efficient. The **movement and ventilation are extremely quiet**, ensuring a comfortable user experience.

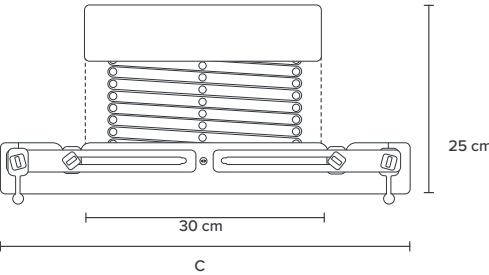

Constructed with high quality materials, it offers robustness and a long lasting life. It's a piece of furniture that lends **elegance** to any **home environment**.

FOXYDRY PRO FOR WALL

foxydry®

Wall-mounted Foxydry Pro is ideal for those looking for a **discreet and functional solution**. Designed to be wall-mounted, it combines the efficiency of the Foxydry Pro with even **greater versatility**.

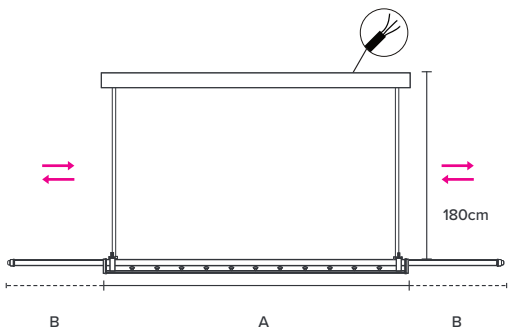

Equipped with **two fans that emit warm air, it accelerates the drying process**, making laundry handling even more efficient. It has **two extendable tubes**, perfect for

hanging bulky items such as **sheets and blankets**, offering a practical solution for every need. The **LED panel light** illuminates the room in which it is installed, providing optimal lighting **without wasting electricity**.

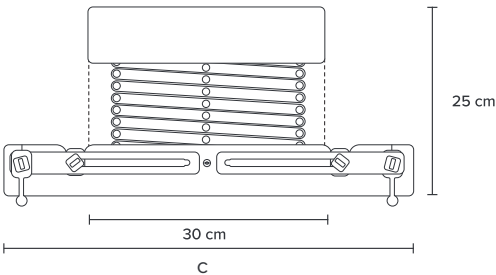

Perfect for smaller rooms, the wall-mounted Foxydry Pro frees up valuable space without compromising the ability to hang **large quantities of laundry**.

foxydry®

FOXYDRY AIR

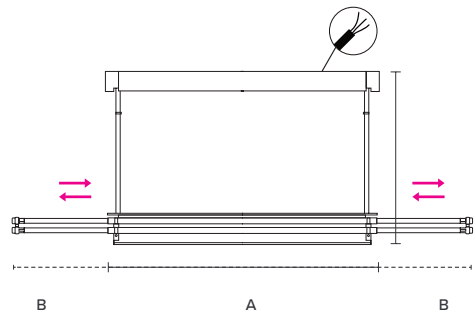

It is the **most iconic and surprising drying rack on the market**. Foxydry Air has received praise from **thousands of buyers** in different countries such as Italy, France, Germany, the UK and Spain.

Surprised by its **originality**, numerous magazines, blogs and experts spontaneously talked about it. A word of mouth that grows day

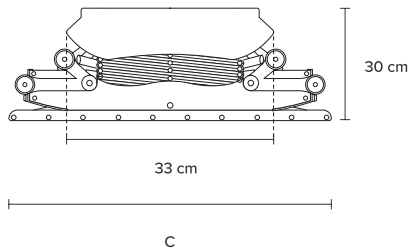

by day.
Foxydry Air frees up space with a simple click of the remote control, taking the drying rack to the next level: from an obstacle to a valuable and aesthetic ally.
A furnishing element that **pleases and no longer disturbs**. It restores a **feeling of order to the home**.

FOXYDRY AIR FOR WALL

foxydry®

Foxydry Air wall-mounted takes the drying rack revolution to the next level. With its **wall mounting**, it combines the elegance and functionality of the Foxydry Air with a **smart space-saving solution**.

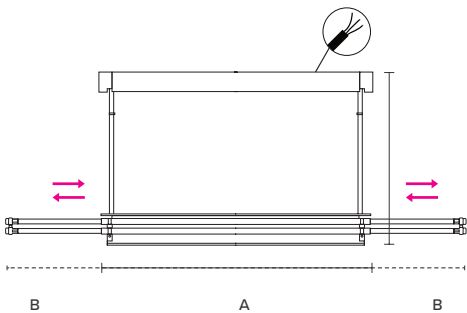

The remote control allows easy and effortless operation, turning hanging clothes into a pleasant and stress-free experience.

Every detail is designed to **facilitate daily operations**, improving the quality of domestic life.

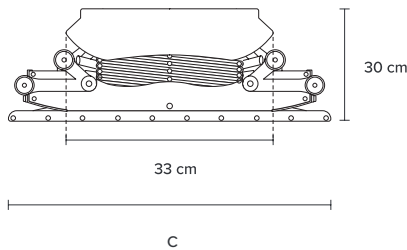

Ideal for those with limited space but who do not want to compromise on **high quality and design**. Wall-mounted Foxydry Air is the perfect choice for a **tidy and refined environment**.

FOXYDRY MINI

Foxydry Mini is the **compact solution** that does not compromise on quality. Perfect for **flats and small spaces**, it offers all the practicality and efficiency of larger models in a smaller format.

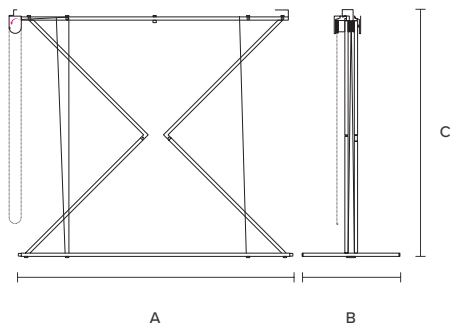

Despite its size, the Foxydry Mini is incredibly **robust and easy to use**. Thanks to its **friction mechanism that demultiplies the weight**, it is **effortless to use** and can be stopped at any height, avoiding

strain on arms and shoulders. Its discreet design blends perfectly into any environment, making hanging laundry a quick and easy task.

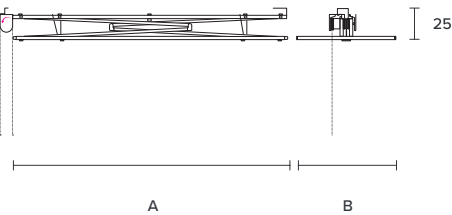

Suitable for both **indoor and outdoor use**, the Foxydry Mini is also extremely safe, ensuring practical and reliable use. It is the ideal choice for those looking for practicality and style without compromise.

FOXYDRY WALL

foxydry®

Foxydry Wall is the perfect answer for those seeking **functionality and simplicity** in a single product. **Wall-mounted**, it offers a **practical and discreet solution** for clutter-free hanging of laundry.

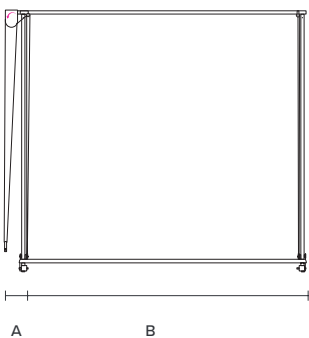

Equipped with a friction mechanism that demultiplies the weight, Foxydry Wall is easy to use without effort, allowing you to stop the load at any desired height.

Easy to install and use, Foxydry Wall is made of durable materials such as **aluminium and steel**, which ensure a long life and make it suitable for both **indoor and outdoor installations**.

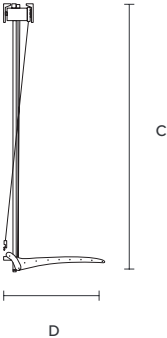

Its **minimalist design** fits in with any type of décor, making it a versatile and **useful furnishing accessory**. Ideal for those who want to **optimise space** without sacrificing quality.

Wall-mounted drying rack with a manually adjustable rack

FOXYDRY WALL PLUS

Foxydry Wall Plus is the drying rack that combines **robustness and versatility**. Designed to be **wall-mounted**, it **doubles the surface area for hanging** without increasing the space occupied, allowing it to handle both large and small garments.

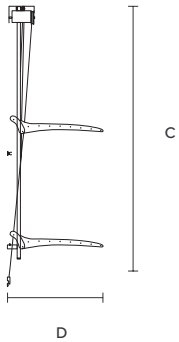

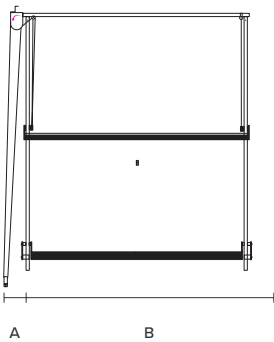

Its **resistant structure**, made **entirely of high quality aluminium**,

guarantees long-lasting and reliable use over time, **without rusting**, making it suitable for both **indoor and outdoor installations**.

Foxydry Wall Plus is the ideal ally for families and for those who need an **efficient solution** without sacrificing aesthetics. A true ally for keeping order and optimising domestic space.

FOXYDRY TOWER

foxydry®

Foxydry Tower is the vertical drying rack that optimises **domestic space** and redefines the concept of a tower rack.

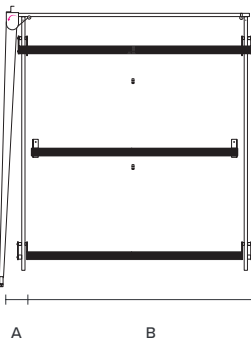

It offers an exceptional hanging capacity of well **over 30 kg of laundry**, tripling the hanging space and occupying a **minimal surface area** when all **three racks are folded back against the wall**. **Easy to use and move**, Foxydry Tower allows the

upper rack to be moved very lightly thanks to the **friction mechanism**, making the operation simple and effortless. Robust and stable, it is made of **high quality materials** such as **steel and aluminium** that guarantee safe and durable use.

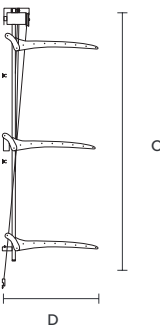

Suitable for both **indoor and outdoor installation**, it is an ideal option for large families and those looking for a **versatile and functional solution**.

foxydry®

FOXYDRY FOLD

Foxydry Fold is the **folding drying rack** that combines practicality and style. Perfect for those with limited space, it folds easily when not in use, **freeing up valuable space**.

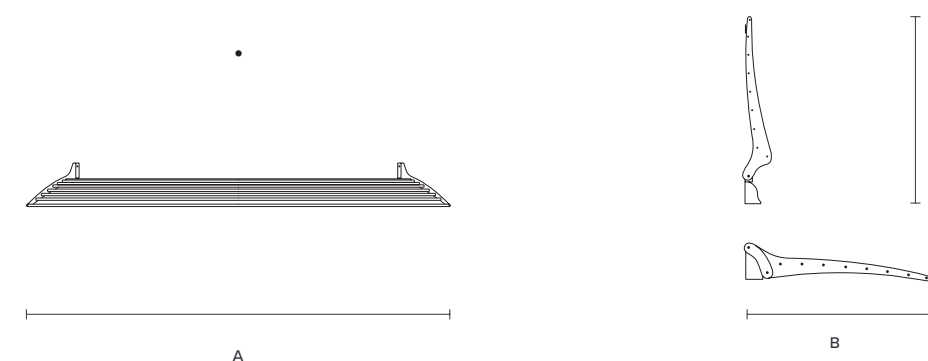

Despite its **compact design**, it offers a large drying capacity, **well over 10 kg**. Foxydry Fold is made of durable, **high-quality materials**, such as powder-coated aluminium

and steel, guaranteeing a long lasting life and trouble-free use.

It is available in **various colours**, such as white, black and grey, with the possibility of **requesting other finishes** to match the environment when ordering a certain quantity. A **smart solution** for those who want to optimise space without sacrificing **functionality and elegance**.

FOXYDRY FOLD DOWN

foxydry®

Foxydry Fold Down is the version of Foxydry Fold that **folds down**, combining practicality and style. Designed for those with limited space, it **closes easily when not in use, adhering to the wall** and freeing up valuable space.

Its harmonious and discreet lines make it ideal for any environment, perfect for installation inside a wall or under a window. **Available**

in many customisable lengths, Foxydry Fold Down offers a tailor-made solution for every need. **Made entirely of powder-coated aluminium**, it can also be installed outdoors and is **not afraid of humidity**, guaranteeing a long lasting life and trouble-free use.

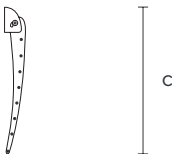

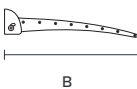

A smart solution for those who want to **optimise space** without sacrificing **functionality and elegance**.

FOXYDRY DUO

foxydry®

Foxydry Duo is the ultimate solution for **optimising balcony space**. Designed for outdoor use, this drying rack guarantees robustness and durability.

Foxydry Duo can hold up to 15 kg of laundry. Its clever design allows it to be **folded both inwards and outwards on the balcony**. It folds up on itself, becoming almost

invisible. **It never rusts and is resistant to weather conditions** such as saltiness, rain, wind and sun, because it is made of **high-quality aluminium and stainless steel**, 100% Made in Italy.

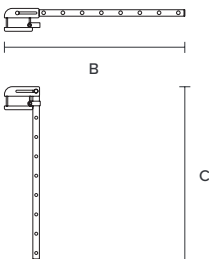

Available in a range of customizable lengths and colors, Foxydry Duo offers a tailor-made solution for every need.

Collapsible balcony drying rack

Design by M.A.M.P. GmbH for AMA Stay (Italy)

IN THE HOTEL AS AT HOME, A NEW HOSPITALITY CONCEPT

The exclusive **AMA Stay Aparthotel** in San Vigilio di Marebbe, in the heart of the Dolomites, has chosen Foxydry to offer its guests a much-appreciated service: **functionality and aesthetics**

without compromise. The black colour perfectly matches the wooden walls of the terraces and adds a touch of elegance.

★ **FOXYDRY FOLD**
– Wall-mounted clothes drying rack.

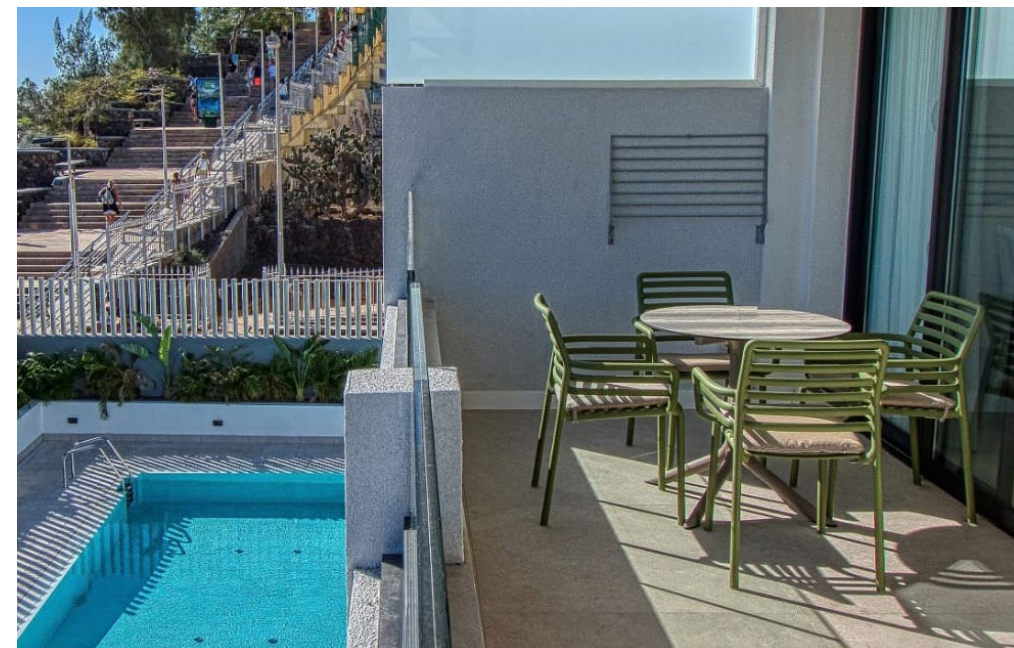

A PRACTICAL SOLUTION FOR HOTEL ROOMS BY THE SEA

foxydry®

In the **exclusive new rooms at Relaxia Hotels** in Playa Del Ingles, Gran Canaria, every detail has been taken care of to provide guests with a **comfortable stay beyond expectations.** Thanks to the Foxydry drying

racks, no towel will ever again obscure the view of the Atlantic Ocean, straddling the glass balustrade.

★ **FOXYDRY FOLD**
– Wall-mounted clothes drying rack.

Grupo Perez Moreno for Relaxia Beverly Suites (Canary Islands)

SPACIOUS, MODERN AND ELEGANT BATHROOM - LAUNDRY ROOM.

Furnishing a **small space** is always a great challenge, but by exploiting every inch intelligently it **can turn into enough space to move around.**

For this **residential project** in Latvia, a **12-unit turnkey building**, we created a **bathroom-laundry with all the**

necessary functionality, without neglecting comfort and elegance.

★ FOXYDRY AIR

– Remote-controlled drying rack with fans for air recirculation.

Design by SIA Konsors for Private House

foxydry®

Design by Alessia Barinelli for L'Agorà (Italy)

HARMONY AND WELL-BEING IN THE LAUNDRY

In a villa on Lake Como, characterised by large and generous surfaces, a laundry area was designed according to the **principles of Vastu Shastra, the yoga of living.** Particular attention was given to the arrangement of each element to **make the most of the positive energies of**

nature and create a healthier, more **balanced and harmonious environment.** Nothing has been left to chance, not even the laundry area.

★ FOXYDRY PRO

– Remote-controlled drying rack with hot-air ventilation.
