ENERGY CONSUMPTION		
Lighting	16 W	12 W
Cold air ventilation	44 W	44 W
Hot air ventilation	750 W	750 W
Motor	130 W	130 W

INSTALLATION

- 4 wall plugs in the ceiling
- 1 connection to a 220V electricity supply

The Foxydry Air ceiling-mounted clothes drying rack can be installed in countless locations, including in almost any room, above a bath tub, in a laundry room, under a portico and on a terrace. It can be put alongside a light or used instead of one because it is fitted with LEDs that offer both savings and outstanding illumination. Foxydry Pro can also be installed on a wall using special brackets that can be supplied on request or on a sloping ceiling using special cables that can be supplied on request.

OPERATION

With a remote control.

WARRANTY 2 years

INSTALLATION

- 4 wall plugs in the ceiling

The Foxydry Mini ceiling-mounted clothes drying rack can be installed in countless locations, including in almost any room, above a bath tub, in a laundry room, under a portico and on a terrace. It can be fitted both inside and outside. The main structure is already partly assembled when it is supplied. It is simply necessary to screw on the grid with the clothes rails.

OPERATION

Manual, with a practical chain and clutch so that it can be lifted with minimum effort. It can be stopped at almost any height between the top and the bottom.
