# Antioxidant

FOR ALL HAIR TYPES

WITH SPIRULINA, VERBENA AND LAVENDER ESSENTIAL OILS  
EXTRACTS OF MORINGA, BURDOCK, CENTELLA and WHEAT GERM OIL

Based on its 20 years of experience in the world of microalgae, Bioearth has chosen **SPIRULINA**, an alga rich in minerals, proteins, vitamins and antioxidants, as the STAR ingredient for this line.

Suitable for all hair types, it is the **ORGANIC** proposal for combating the effects of oxidative stress and protecting the hair from external aggression and pollution.

Naturalia  
Tantum

BIOEARTH  
Pura natura

# Antioxidant shampoo

## SPIRULINA AND VERBENA

A remineralising shampoo suitable for **frequent washing of all hair types**. Spirulina helps counteract the effects of oxidative stress and protects the hair from external aggression and pollution.

### Functional substances:

Essential oils of verbena, lavender\*; microalgae spirulina, extracts of moringa, burdock\*, centella, fucus, wheat germ oil.

(\*from organic farming)

### How to use:

Gently massage the antioxidant shampoo into damp skin and hair, then rinse. Repeat if necessary. Shake before use.

### Format: 250 ml

Regenerated PET bottle with practical flip top

# Remineralizing conditioner

SPIRULINA AND LAVENDER

Recommended after each wash, it **gives volume** to the hair without weighing it down and **protects it from oxidative stress and pollution**.

## Functional substances:

Microalgae spirulina\*, essential oils of verbena, lavender; extracts of moringa, fucus, lavender, centella, burdock\*, wheat.

(\*from organic farming)

## Directions for use:

Apply the conditioner to wet hair, particularly on the ends and massage gently. Leave on for 1-2 minutes, then rinse.

**Format: 150 ml tube**

# Remineralizing pack

SPIRULINA AND CENTELLA

A valuable **remineralising and purifying pack** containing spirulina to help keep **hair young, visibly healthy and vital.**

The formula is enriched with extracts of fucus and burdock, known for their **purifying and detoxifying properties.**

## Functional substances:

Spirulina microalgae\*, essential oils of verbena, lavender\*; extracts of moringa, fucus, lavender, centella, burdock\*, wheat. (\*from organic farming)

## How to use:

Apply to dry hair and leave on for 10-15 minutes. Rinse and wash out. Depending on the condition of the hair, 1-2 applications per week are recommended.

**Format: 150 ml tube**

# Protect

## DECOLOURED AND TREATED HAIR

WITH CHAMOMILE, MALLOW or CALENDULA AND SWEET ORANGE OR LEMON ESSENTIAL OILS

Treatments aimed at the **care and regeneration of coloured, chemically treated and damaged** hair.

Enriched with extracts of **calendula, mallow, chamomile and essential oils** that give a pleasant citrus note, they are the natural answer for those seeking soft, silky, shiny hair despite chemical or physical treatments such as colouring, perms, highlights and straighteners

# Protective Shampoo

SWEET ORANGE, CHAMOMILE AND CALENDULA

A shampoo formulated with extracts of **calendula and chamomile**, it gently cleanses treated hair, leaving it radiant and vital.

It contains sweet orange essential oil with a delicate citrus fragrance.

## Functional substances:

Essential oil of sweet orange\*; extracts of calendula\*, chamomile\*, mallow\*; panthenol (\*from organic farming)

## How to use:

Gently massage the antioxidant shampoo into damp skin and hair, then rinse. Repeat if necessary. Shake before use.

## Format: 250 ml

Regenerated PET bottle with practical flip top
