

by  ella

who we are

Felmar is an **Italian** company specialising in the **production** and **assembly** of standard modular products and tailor-made solutions for kitchen furnishing

what we do

- short lead times from order to shipment
- efficient and fast response to requests and quotes
- versatility
- intuitive and pragmatic range of solutions
- comprehensive catalogue that lets the client create his own personal kitchen

why we are contacting you

we are currently looking for new partners **outside** of Italy with whom we can build contacts for profitable business opportunities
