To the kind attention of Production Manager and Style office

Our office has been working for many years with some of the main Italian and foreign fashion brands. We offer a complete private label service, following every step from the stylistic research to the shipping of the productions. We are able to make samples for women, men and kid's fashion.

For the tricot it's possible to make:

- Sweater 100% Cashmere, 100% Merino's Wool, Viscose and Silk mixed in different gauge from 7 to 18
- Intarsia and jacquard sweaters gauge from 3 to 12
- Printed sweater, digital print or jet print
- Embroidery sweater to hand or machine with various application possibilities.

For jersey it's possible to make:

- Jersey in 100% Cotton, Cotton /Spandex, Viscose and Viscose/Spandex
- Jersey in 100% Silk or Mixed Silk for the sweater match
- Printed drawing, all over or placed print
- Stone washing, hand dyed, cold dyed treatments on fabrics or finished garment

We also have developed a choice of fashion accessories like scarfs, hats and hoods, made in tricot using different types of yarn loom weaving, printing, specific treatments and stretched fabrics.

Our work follows the clients' stylistic requests, as well as the style department's indications and needs. Our service is based on the creation if samples, implementation of references, final setting of the order and shipment of it. During these passages, the client will follow every process of production in order to receive a product that respects the client's timing and quality requests.

We are available for any other information and we are looking forward to hearing from you soon.

Best Regards
