

IDEA GOURMET

ARTISANAL GOURMET
FOOD

"OUR STORY"

IDEA GOURMET is an international BUSINESS focus in trading high quality Italian food.

Our "concept" is the production and marketing on a small scale of "culinary delicacies" of our land, artisanal products that can enhance the best of Italian cuisine for taste and flavor.

We seek and guarantee our B2B and B2C customers 100% ORGANIC foods, which satisfy the finest palates both for Italian and non-Michelin-starred chefs and for international customers who love and are looking for a food that is difficult to find in conventional market's channel

Fresh truffles, dried porcini mushrooms, organic truffle creams, extra virgin olive oil and saffron in pistils are the basis of our commercial offer focused on the perfect organic / gourmet combination that in these times has become popular among professionals who work around the world of "food".

Our "goal" is an e-commerce that looks at the future of the agro-food sector in terms of health and well-being, synonymous with "better" eating, "BIO" eating and purchasing at KM 0.
