Vivienne Westwood

OUR BRAND

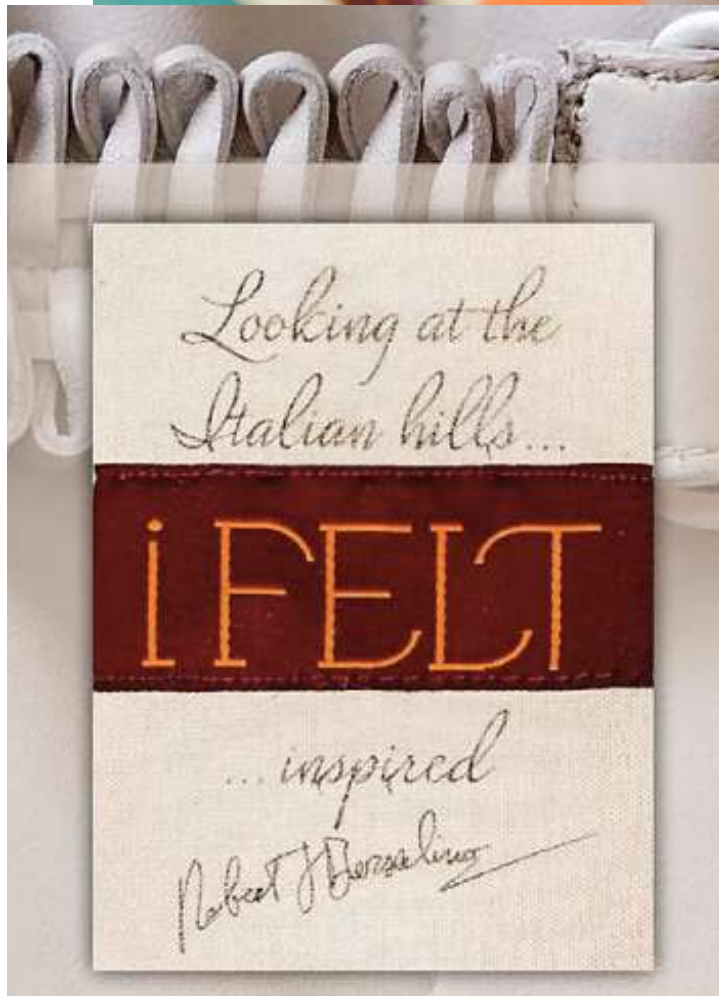

Collections that combine a rigorous selection of raw materials from all over the world with the uniqueness of Italian manufacturing. This is the hallmark of iFelt.

Precious and durable Napa Entrefino, Suede and Lacon leather becomes soft outerwear. Made from working completely by hand, without modifying the 'core' leather, expression of genuine one. Extreme softness to the touch and absolute natural appearance. Giant shells collected in the pristine water of Australia become precious mother-of-pearl buttons.

Impeccable details and finishes distinguish iFelt leather clothing.

Refined, unique, timeless outerwear.

A handwritten signature in black ink, reading "Robert James Gonzalino". The signature is written in a cursive, flowing style with a large, prominent 'R' and 'G'.
