WE RELY ON THE BEST PARTNERS

We only work with people who have the same ideals as us, who strive for both quality and customer satisfaction, they are the ones who allow us to innovate and still invest in what we love: light!

WE TEST

IN FULL CONTROL

Testing our products in-house allows us to be in full control of the conditions under which they are distributed and of their quality.

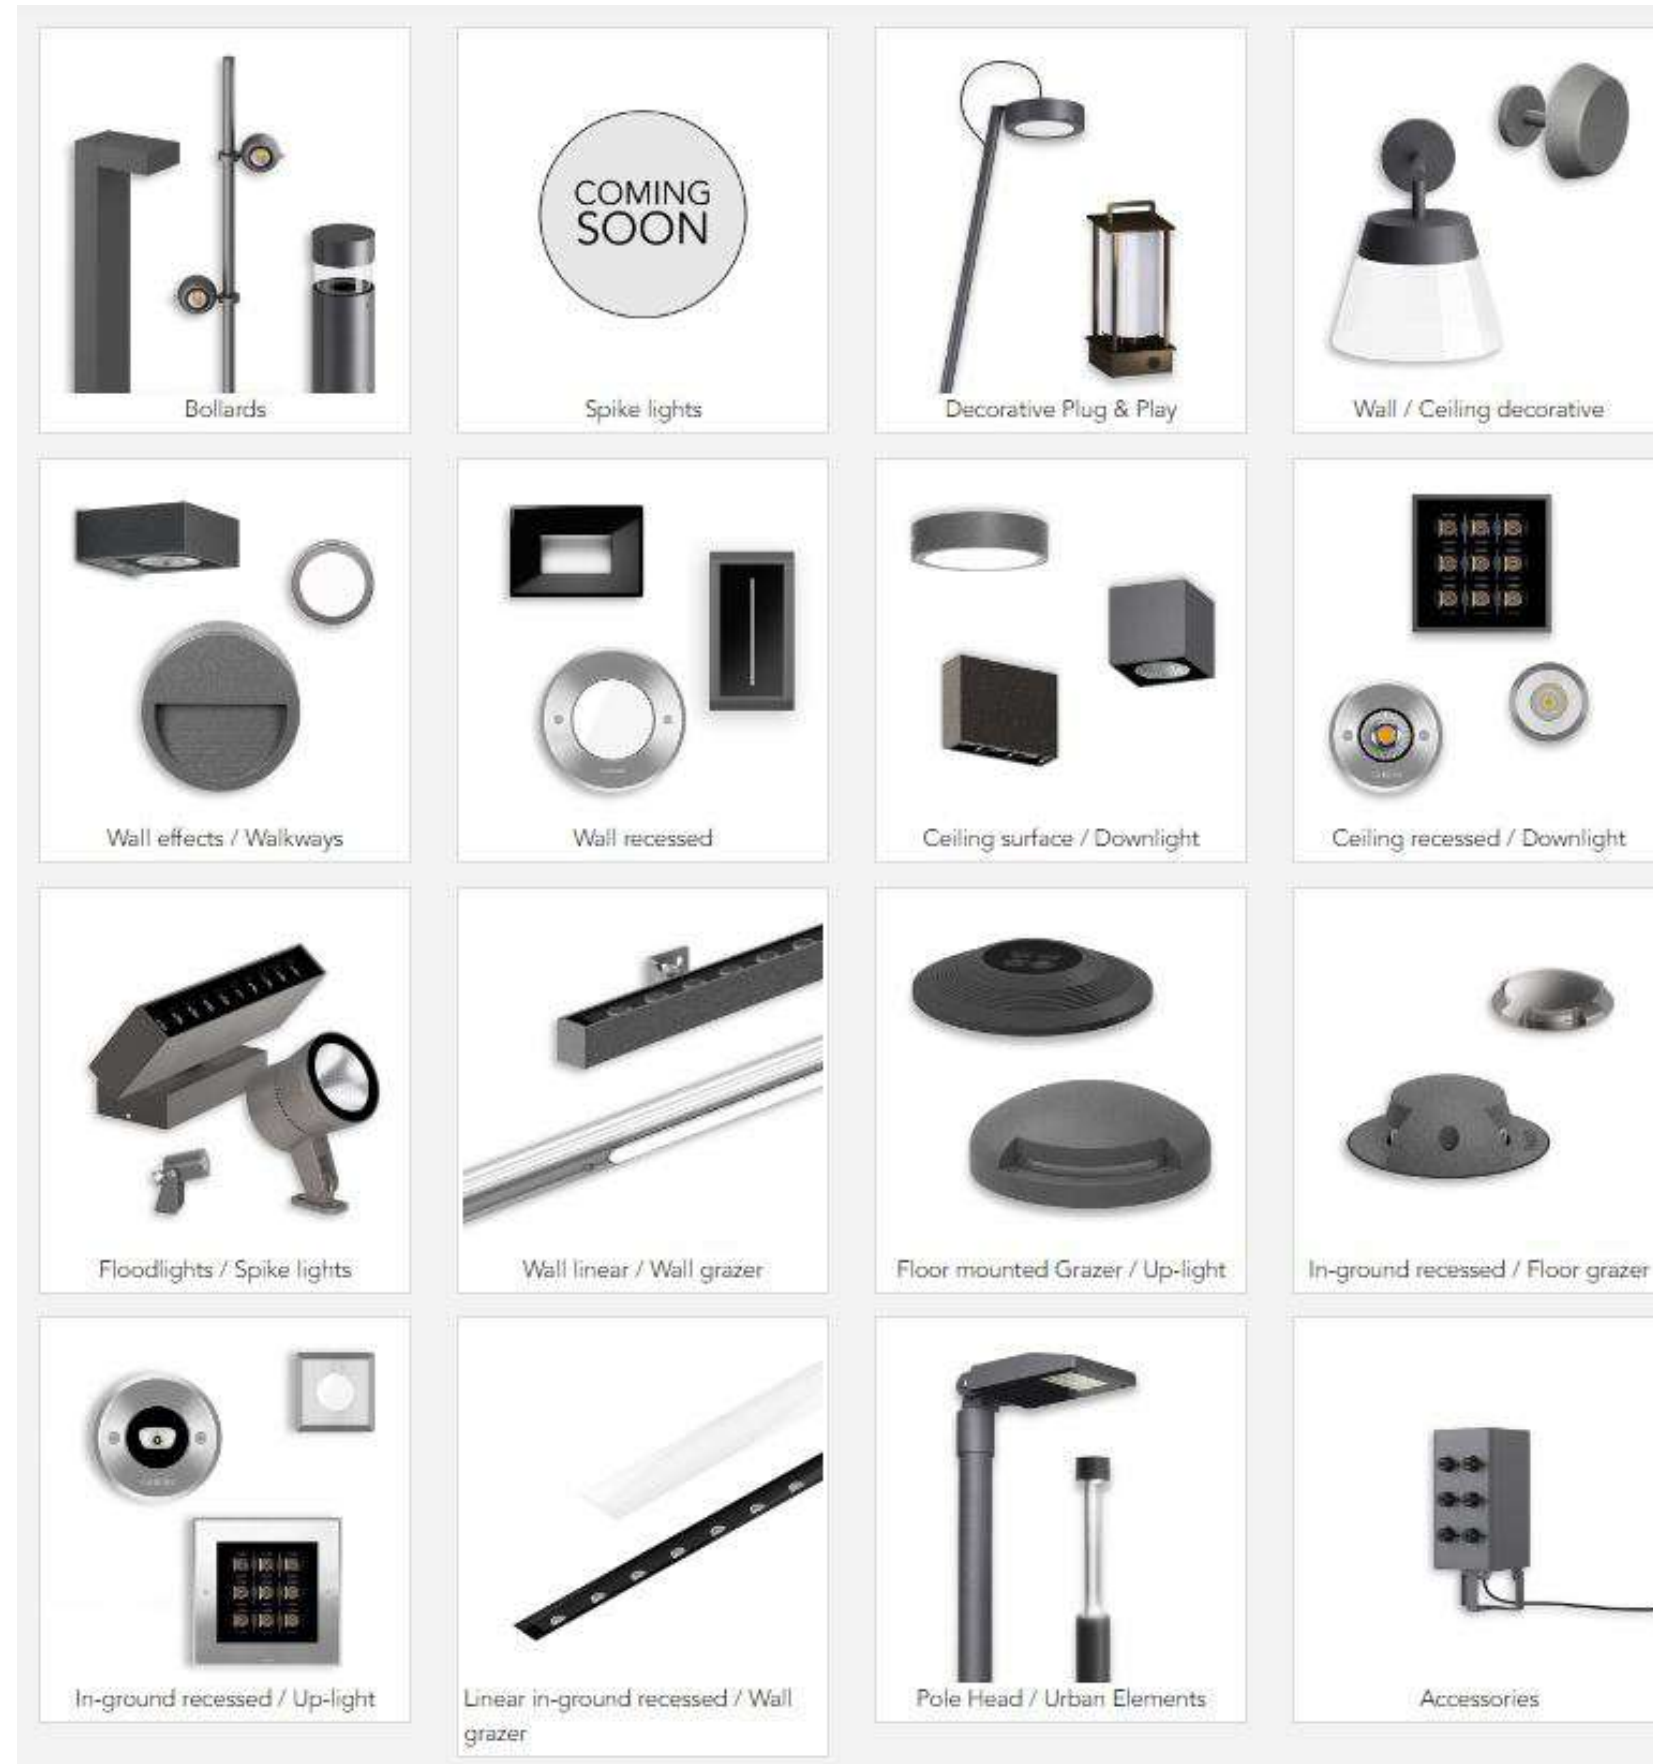

THE TESTS WE SUBJECT PRODUCTS TO

- IP Test
- IK Test
- Thermal test
- Glow wire test
- Endurance test
- Salt fog test environment
- Water resistance and humidity
- EMC test
- Photo Goniometer

OUTDOOR LIGHTING SOLUTIONS

The possibilities for illuminating your outdoor space are endless. We offer a wide range of lighting solutions designed to meet every aesthetic and functional need.

Our outdoor lighting collections feature a variety of styles. You'll also find a wide range of mounting options.
