Viscomoda Imbottiti è un'azienda che si fonda su un'esperienza artigianale pluridecennale nel settore del mobile imbottito. L'azienda è basata a Matera nella zona industriale Jesce, un'area produttiva tra Puglia e Basilicata, rinomata per il mobile imbottito di qualità. Oggi siamo supportati da una divisione tecnica che ci permette di sviluppare una gamma completa di divani letto, divani relax e soluzioni living. La nostra filosofia si basa sulla duplice scelta di mantenere da un lato la qualità artigianale delle finiture e dall'altro di sperimentare soluzioni innovative altamente tecnologiche.

Viscomoda Imbottiti is a company founded on decades of craftsmanship experience in the sector of upholstered furniture. The company is based in Matera in the Jesce industrial area, a production area between Puglia and Basilicata, renowned for quality upholstered furniture.

Today we are bolstered by a technical division that has allowed us to develop a complete range of sofa beds, relax sofas and living space solutions. Our mission is based on the twofold choice of maintaining both the quality craftsmanship of the finishes and to experiment innovative high-tech solutions.

Viscomoda Imbottiti est une entreprise fondée sur des décennies d'expérience dans le secteur de l'artisanat de meubles rembourrés. L'entreprise est basée à Matera, dans la zone industrielle de Jesce, une zone productive située entre les Pouilles et la Basilicate, réputée pour ses meubles rembourrés de qualité.

Aujourd'hui, nous sommes soutenus par une division technique qui nous permet de développer une gamme complète de canapés lits, canapés relax et solutions de vie. Notre philosophie est la suivante fondée sur le double choix de maintenir d'une part la qualité l'artisanat des finitions et d'autre part d'expérimenter des solutions innovantes de haute technologie.

La nostra produzione comprende un'ampia gamma di mobili imbottiti: divani letto, divani relax, divani componibili, poltrone e letti tessili, realizzati con cura artigianale ed esperienza. In particolare la linea di divani letto è il nostro fiore all'occhiello, grazie ad una ampia e variegata quantità di soluzioni, siamo in grado di soddisfare ogni richiesta del mercato nazionale ed estero. Qualità nella scelta di materiali, qualità nelle finiture, qualità nei dettagli: sono queste le caratteristiche dei nostri divani che li rendono originali ed unici per ogni acquirente.

Our production includes a wide range of upholstered furniture: sofa beds, relax sofas, modular sofas, fabric upholstered armchairs and beds, all made with our customary craftsmanship and experience. Our sofa bed line is our flagship product. Thanks to a wide and varied range of solutions, we are able to satisfy every request from the domestic and foreign markets. Quality in the selection of materials, quality in the finishes, quality in the details: these are the hallmarks of our sofas that make them distinctive and unique to every purchaser.

Notre production englobe une large gamme de meubles rembourrés: canapés-lits, canapés relax, canapés modulaires, fauteuils et lits textiles, réalisés avec savoir-faire et expérience. En particulier, la ligne de canapés-lits est notre fleuron ; grâce à une gamme de solutions large et variée, nous sommes en mesure de satisfaire toutes les demandes du marché national et étranger. Qualité dans le choix des matériaux, qualité dans les finitions, qualité dans les détails : ce sont les caractéristiques de nos canapés qui les rendent originaux et uniques pour chaque acheteur.

NOTE: gli schienali nella versione fissa sono dotati di meccanismo manuale a cricchetto, reclinabili a secondo del comfort desiderato nelle versioni relax. Le sedute sono dotate di motori elettrici: il movimento di apertura/chiusura della sedute e degli schienali è reso possibile agendo su semplici ed intuitivi pulsanti posti sui lati esterni del braccio (su richiesta i pulsanti si possono mettere sui lati interni delle sedute). Tutti gli elementi, sia fissi che con meccanismo relax sono modulari ed assemblabili tra di loro per mezzo di appositi agganci a baionetta.

PLEASE NOTE: the backrests in the fixed version are equipped with a manual ratchet mechanism, which can be reclined to the desired comfort in the relax versions. Seats are fitted with electric motors: the opening/closing movement of the seats and backrests is made possible by acting on simple and intuitive buttons placed on the outer sides of the arm (buttons can be placed on the inner sides of the seats on request). All elements, whether fixed or fitted with a reclining mechanism, are modular and can be assembled together by means of bayonet hooks.

REMARQUE : les dossiers de la version fixe sont équipés d'un mécanisme manuel à cliquet, qui peut être incliné selon le confort souhaité dans les versions relax. Les sièges sont équipés de moteurs électriques: le mouvement d'ouverture/fermeture des sièges et des dossiers est rendu possible en agissant sur des boutons simples et intuitifs placés sur les côtés extérieurs de l'accoudoir (des boutons peuvent être placés sur les côtés intérieurs des sièges sur demande). Tous les éléments, qu'ils soient fixes ou équipés d'un mécanisme d'inclinaison, sont modulaires et peuvent être assemblés entre eux au moyen de crochets à baïonnette.
