

Ammariuni
TRADIZIONE D'AMARE

P R E M I U M
M E D I T E R R A N E A N
S E A F O O D

Ammarùni was the traditional name used by ancient Sicilian fishermen to refer to the precious and unique red shrimps. Ammarùni today is a new established way to flavour our sea directly in your home.

Ammarùni's mission is to promote Italian food culture, starting with traditional dishes and evolving into a gourmet food choice.

Ammarùni has been chosen by the most famous chefs in the world for its high standard quality. Our retail products are innovative and well-suited for the online market, thanks to their charming design and convenience pack. As a result, the distinctive characteristics of our products are making Ammarùni a recognizable brand in the retail market.

Our seafood comes directly from the vessel in the factory where are processed by International Standard Production Process (ISPP). We use technological facilities to ensure the highest standards and keep alive our traditions.

WHERE'S AMMARUNI

From 2022 we're bringing Italian culture to several countries:

SOCIAL COMMITMENT

We are part of a new generation of companies with strong social and ecological commitment. We are at the forefront with a sustainable fishing practices and go beyond environmental requirement, both in our fishing and in our packaging.

Tradition

Respect for traditional fishing techniques, commitment to bringing authentic flavors to the table, all in the name of quality.

OUR MISSION

Sustainability

Protection of the sea and its resources through responsible fishing practices and low-impact logistics.

Convenience

High-quality seafood at competitive prices, ensuring an excellent value-for-money ratio.

Innovation

Union of tradition and new technologies, from the optimization of the fishing supply chain to sustainable logistics.
