

Società agricola semplice

Tre C

Agriculture is a pact of **love** between **man** and **nature**.

MADE IN ITALY

Acate's Valley
RG, Sicily, Italy

PRODUCTION

Technological greenhouses

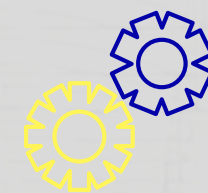

TOMATOES

Datterino, mini plum,
cherry tomatoes, different
variety. ***Their roots are
also ours!***

Made in Italy South-eastern Sicily

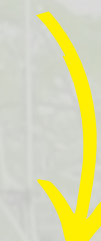

Acate's Valley

Tomatoes are grown in 50 ha of technological **greenhouses** with **container culture**.

more efficient use of irrigation **water** and nutrients

limiting soil use and energy waste
More respect for the **environment**

Nature is our best ally!

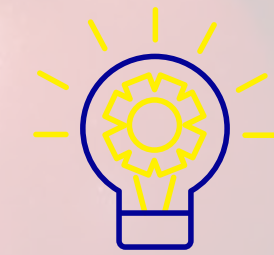

Tre C method

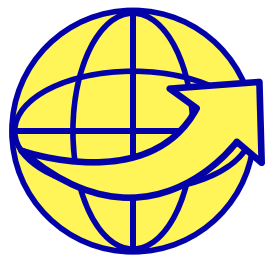

Hight technical skills
of production managers

Harvest only by **hand**

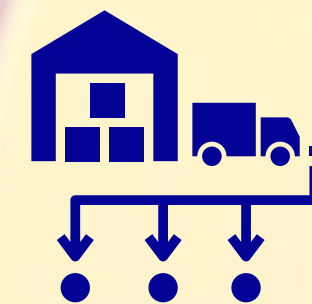

Production lines
with modern machinery

Helthy, tasty and above all
fresh.

All our tomatoes are **traced**
subjected to periodic **analysis**

Logistic efficiency
allows to serve all platforms with
extreme **rapidity**, in Italy, Romania,
Germany, Malta, Switzerland.
