

Natural Stone Made in Italy

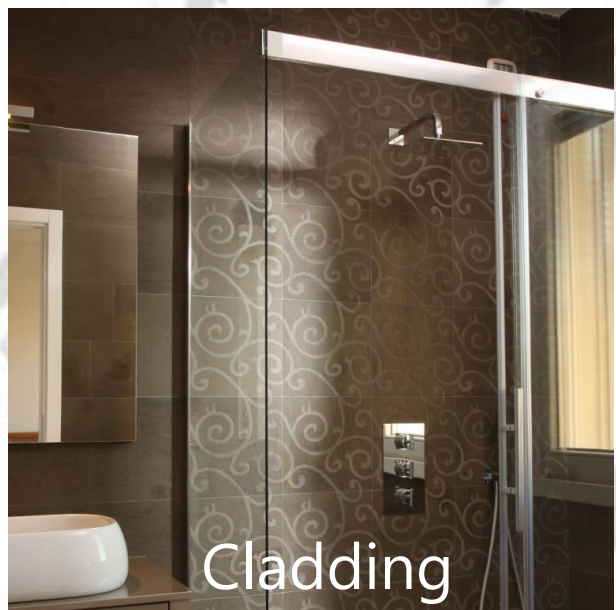

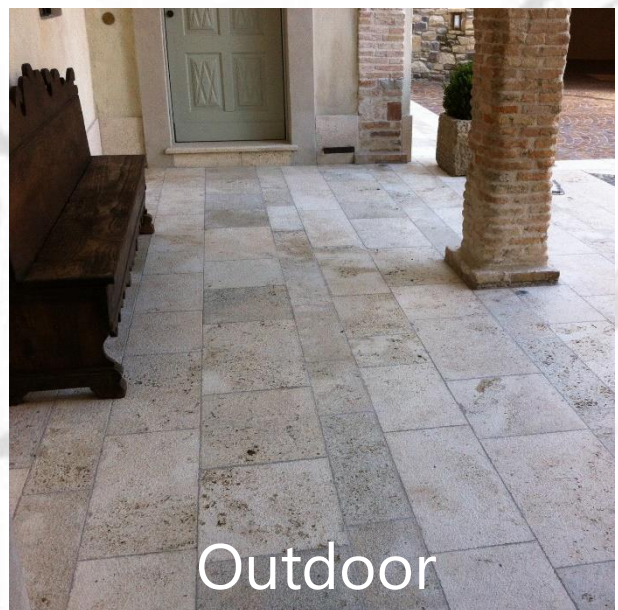

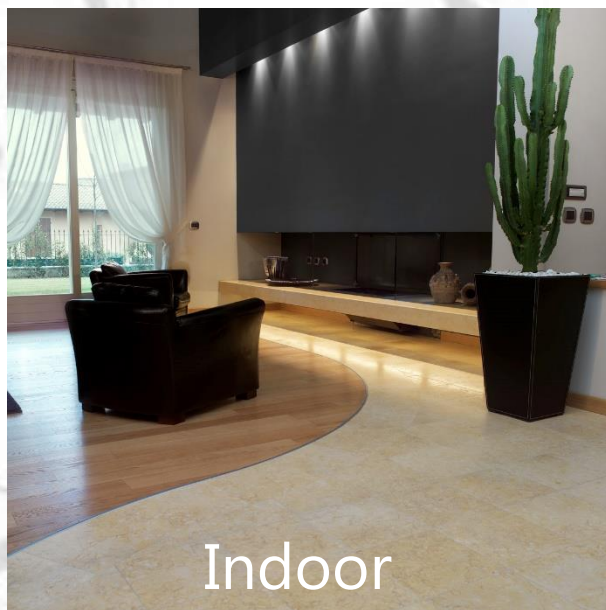

For over 25 years we have been producing
unique and standard, valuable and
eco-sustainable **FLOORING** and
COVERINGS for natural stone lovers,
repairers, marblers, architects and
contractors all over the world.

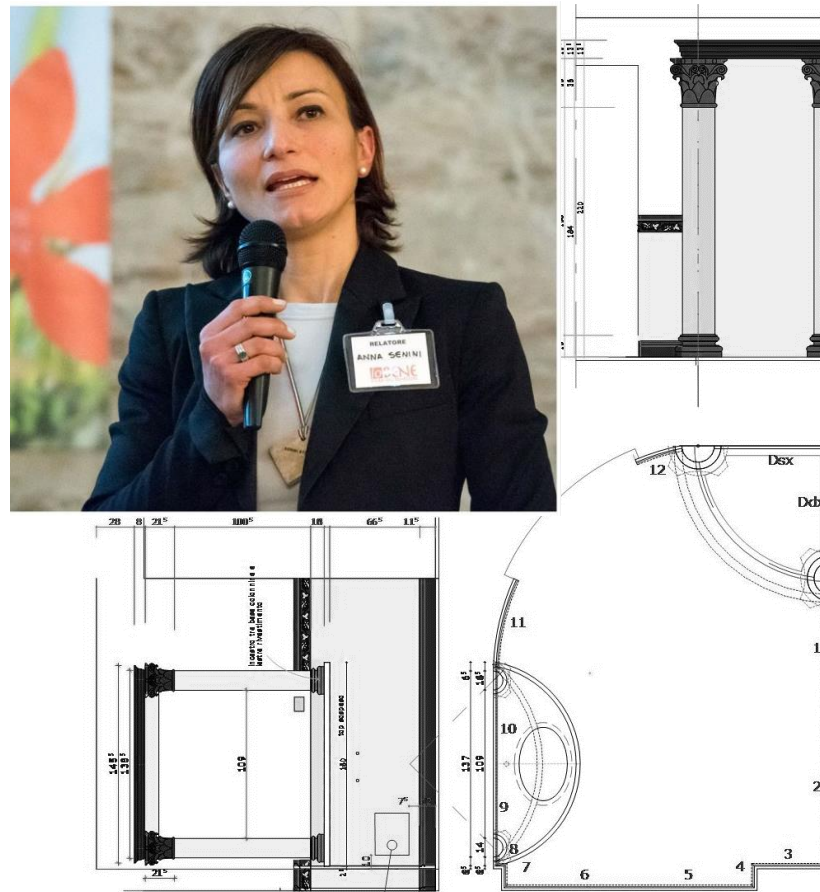

SENINI stone

We offer a wide range of finished flooring and coverings, ready for laying, in natural stone, of **HIGH QUALITY** and Made in Italy.

SENINI stone

We work on every project by offering our consultancy
for the creation of **EXCLUSIVE** and
CUSTOMIZED products, using our craftsmanship.

SENINI stone

We **SELECT** the best raw material,
TRANSFORM it
with technological machineries
and **CREATE** high quality products
at low prices and quickly.

The marble, travertine and stone floors
are ETERNAL
and improve the value of the spaces for ...
