The logo for 'Cemento 3D' is centered in the lower half of the image. It features a large, white, stylized letter 'C' that is open at the top and bottom. A horizontal grey bar passes through the middle of the 'C'. The word 'emento 3D' is written in a white, sans-serif font across this bar, with the '3D' being slightly larger and bolder than the 'emento'. A small registered trademark symbol (®) is located at the top right of the 'D'. The background is a textured, mottled brown color, and there are some horizontal white and dark brown lines near the bottom of the frame.

Digital screens cannot display exact RAL colours. We recommend that you use the RAL colour impressions on this website as a guide only. To ensure you choose the correct RAL colour, we recommend using a physical RAL K5 and RAL K7 Classic colour fan.

An abstract composition featuring two large, white, 3D-rendered circles that overlap. In the foreground, a short, wide cylinder with a brown and white marbled texture sits on a light blue surface. The background is a solid, muted blue. A black horizontal bar is positioned across the middle of the image, containing the word "EMOTIONS" in white, uppercase, sans-serif font.

Digital screens cannot display exact RAL colours. We recommend that you use the RAL colour impressions on this website as a guide only. To ensure you choose the correct RAL colour, we recommend using a physical RAL K5 and RAL K7 Classic colour fan.

A dark, textured background, possibly a wall or a large rock, with a large white arc curving across it. In the foreground, a smooth, rounded stone object rests on a flat surface. A bright light source from the right creates a strong reflection on the surface and casts a shadow from the stone object. A black rectangular box is positioned in the lower right, containing the word 'METALLIKA' in white capital letters.
