

# skean®

skin+clean, naturally

CLEAN BEAUTY MADE IN ITALY, HIGH PERFORMANCE, MINIMAL ROUTINE

# ESSENTIAL SKINCARE: SIMPLE & EFFECTIVE

## OUR MISSION

Skean® was created with the belief that skincare should be **simple yet highly effective**. Our approach is based on **essential, high-performance formulations** that deliver visible results while keeping routines minimal and effortless.

The name **Skean®** blends "**Skin**" and "**Clean**", reflecting our deep commitment to Clean Beauty and scientifically advanced skincare. We select **high-quality, science-backed ingredients** to ensure maximum benefits with minimal steps, making skincare both **powerful and intuitive**.

Designed for modern consumers seeking **efficacy without excess**, our products offer a streamlined beauty routine that enhances the skin's natural radiance while maintaining **transparency, safety, and innovation** at every stage of development.

## THE ESSENCE OF SKEAN®

The commitment of Skean® to **Clean Beauty ensures transparency, safety, and visible results**, always staying true to our core values:

### HIGH-PERFORMANCE PRO-AGE FORMULATIONS

with scientifically selected active ingredients to prevent and reduce signs of aging

### CLINICALLY PROVEN EFFICACY AND SAFETY

supported by dermatological and performance tests

### CLEAN AND NATURAL INGREDIENTS

with over 90% of natural origin, following the highest standards of Clean Beauty

### PROUDLY MADE IN ITALY

Skean® ensures excellence by formulating and producing all products in Italy, combining innovation with the finest cosmetic tradition.

### ETHICS AND SUSTAINABILITY

Upcycled ingredients and eco-conscious packaging, with paper from recovered fruit shells, transforming organic residues into sustainable design.

# HIGH-QUALITY FORMULAS

Skean® formulas are developed with **a careful selection of raw materials**. The products are **vegan** and primarily composed of **naturally derived ingredients**, combined with hi-tech actives that enhance their effectiveness, as confirmed by conducted tests.

## INNOVATION AND SUSTAINABILITY

The use of **Cytofruit Waters®** instead of traditional water enriches the formulas with **trace elements and microbiological purity**, adding value to the skin. The textures are **lightweight, fast-absorbing**. All Skean® products are **Clean Beauty, free from parabens, silicones, paraffins, microplastics, SLES, and colorants**.

Tonic-trophic efficacy tests, performed in vitro (Evaluating skin tonicity and nourishment.). Results in 24/48 hours.

# INNOVATIVE ACTIVE INGREDIENTS

Skean® carefully selects **high-performance active ingredients** that combine **nature and technology** to ensure **visible results**.

Each formula is enriched with **scientifically backed components** that enhance **skin health and radiance**.

## Cytofruit Waters®

Bioactive waters derived from citrus by-products, rich in trace elements and microbiological purity, offering deep hydration and antioxidant benefits.

(Cytofruit® is a registered trademark of ROELMI HPC)

## Actopontine™ Biofunctional

A biomimetic peptide that stimulates skin regeneration and strengthens the skin barrier, improving firmness and resilience.

(Actopontine™ is a registered trademark of Ashland)

## Purified Alpine Rose Extract

Sourced from the resilient Alpine Rose, this extract enhances skin vitality and protects against environmental stressors.

## Sunflower Phytoceramides

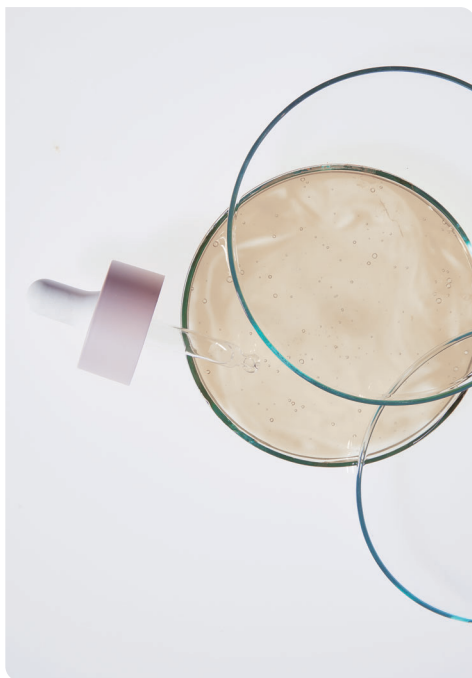

Plant-derived ceramides that restore the skin's natural barrier, preventing dehydration and improving elasticity.

## Dual Molecular Weight Hyaluronic Acid

A combination of high and low molecular weight hyaluronic acid that ensures deep hydration while plumping and smoothing the skin's surface.

## Sea Salt

Rich in minerals and trace elements, it helps maintain skin hydration, supports the natural barrier function, and provides a gentle exfoliating effect for a smoother, revitalized complexion.

# DISCOVER THE SKEAN® COLLECTIONS

Skean® offers a **streamlined skincare routine** with multi-functional products that adapt to modern lifestyles. Each formula is designed to **deliver targeted benefits**, ensuring **healthy, radiant skin** with just a few essential steps.
