

The Azienda Agricola Coppicelle represents a family that has been carrying on a consolidated relationship for 4 generations with the land of Puglia, cultivating it, protecting it and keeping it in a biological and sustainable regime. Undisputed queen of the company, the olive in its types, the Coratina and the Favolosa, is transformed in extra virgin olive oil of the highest quality.

Alongside the oil, new products that enhance the taste have entered the catalogue of products: paté, sauces, jams, snacks. All of them have at least common denominator the love for nature and its fruits, treated with respect and devotion, in which the vitality reverberates of the company and its members, in a genuine process, tasty and colorful as life.

Azienda Agricola Coppicelle is located in Puglia and extends in different lands located in the territories by Corato, Ruvo, Andria and Canosa di Puglia for a total extension of 42 hectares of which 33 dedicated olive groves. Annual production is around 2000 quintals of olives and about 500/700 quintals of extra virgin olive oil.
