Le nostre luci raccontano storie meravigliose

Piccole luci su iconiche strutture di legno interamente create e decorate a mano, nel nome di una tradizione centenaria che si tramanda di padre in figlio e che da generazioni fa sognare tutto il mondo... ecco le luminarie pugliesi Paulicelli. La Paulicelli non è un'azienda come tutte le altre. È un'azienda fatta di persone, unite da un unico sogno e dall'amore per il proprio lavoro. Siamo una famiglia allargata, di quelle grandi, che ogni giorno, nelle incertezze della vita, resta unita... senza spegnere mai la luce.

Our lights tell wonderful stories

Small lights on iconic wooden structures entirely created and decorated by hand, in the name of a centuries-old tradition that has been handed down from father to son and has been making the whole world dream for generations... that's Paulicelli's Apulian luminaries.

Paulicelli is not a company like any other. It is a company made up of people, united by a single dream and love for their work. We are an extended family, the big kind, that every day, in the uncertainties of life, stays together ... without ever turning off the light.

LIGHT

Dalla luce di un'idea tutto prende forma

La luce ci spinge da sempre a credere che tutto sia possibile. Piccole luci colorate e un tocco di fantasia per un prodotto unico che illumina gli occhi e che, nello stupore, dà vita a emozioni inspiegabili.

Da oltre cento anni, realizziamo in Paulicelli, impianti di illuminazione artistica coniugando tradizione e innovazione, spinti dal grande amore per il nostro lavoro. La produzione delle nostre luminarie è una produzione artigianale, il “fatto in casa a mano” per eccellenza, in famiglia, ed è proprio questo a rendere speciali tutte le nostre creazioni.

Everything else takes shape through the spark of an idea

Light has always prompted us to believe that anything is possible. Small colored lights and a touch of imagination for a unique product that illuminates the eyes and, in amazement, gives birth to inexplicable emotions.

Driven by a great love for our work, for over a hundred years, we have been making in Paulicelli, artistic lighting installations combining tradition and innovation.

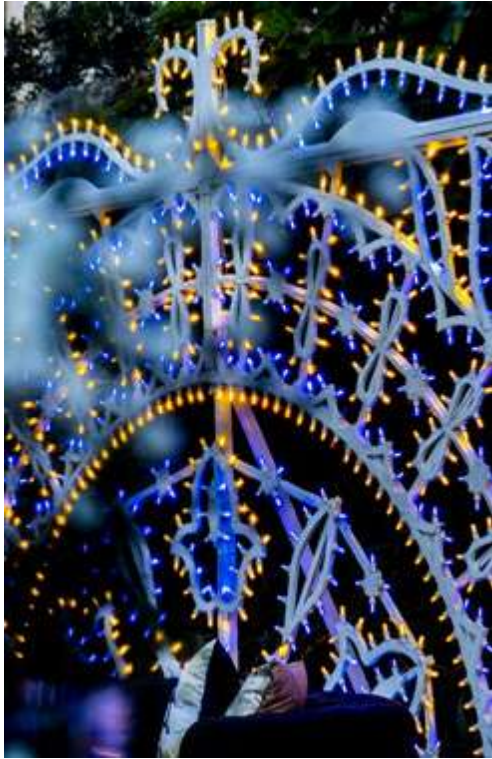

The production of our luminaries is all artisanal and it runs in the family, the "homemade by hand" par excellence which makes all our creations special.

Da Bari oltre i confini

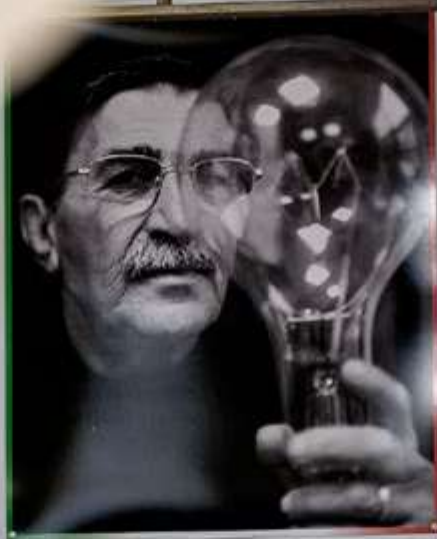

Grazie alla nostra esperienza secolare siamo diventati leader nel settore dell'illuminazione, portando l'arte delle luminarie oltre i confini regionali, nel segno della più antica tradizione artigiana italiana.

Ogni giorno raccontiamo quel sogno attraverso le nostre luci e nello sguardo di chi le ammira. Il nostro è un lavoro sapiente, scrupoloso, fatto di piccoli dettagli e di grandi strutture, perché ad essere grandi sono i nostri sogni.
