RIVUS ALTUS - RESIDENCES AND PRIVATE COLLECTIONS

From Italy to Europe, to Los Angeles and New York

SAN POLO ART GALLERY in Venice, overlooking the historical canals, is a point of view on the city that here is the inspiring muse of photographic and sculptural works.

A splendid location full of charm from the heart of Venice, thanks to the visual magic created by the light filtering through the windows.

San Polo Art Gallery represents Italian artists and promotes innovative and creative projects, merging the prestige of exclusivity with the dynamism of Italian creativity.

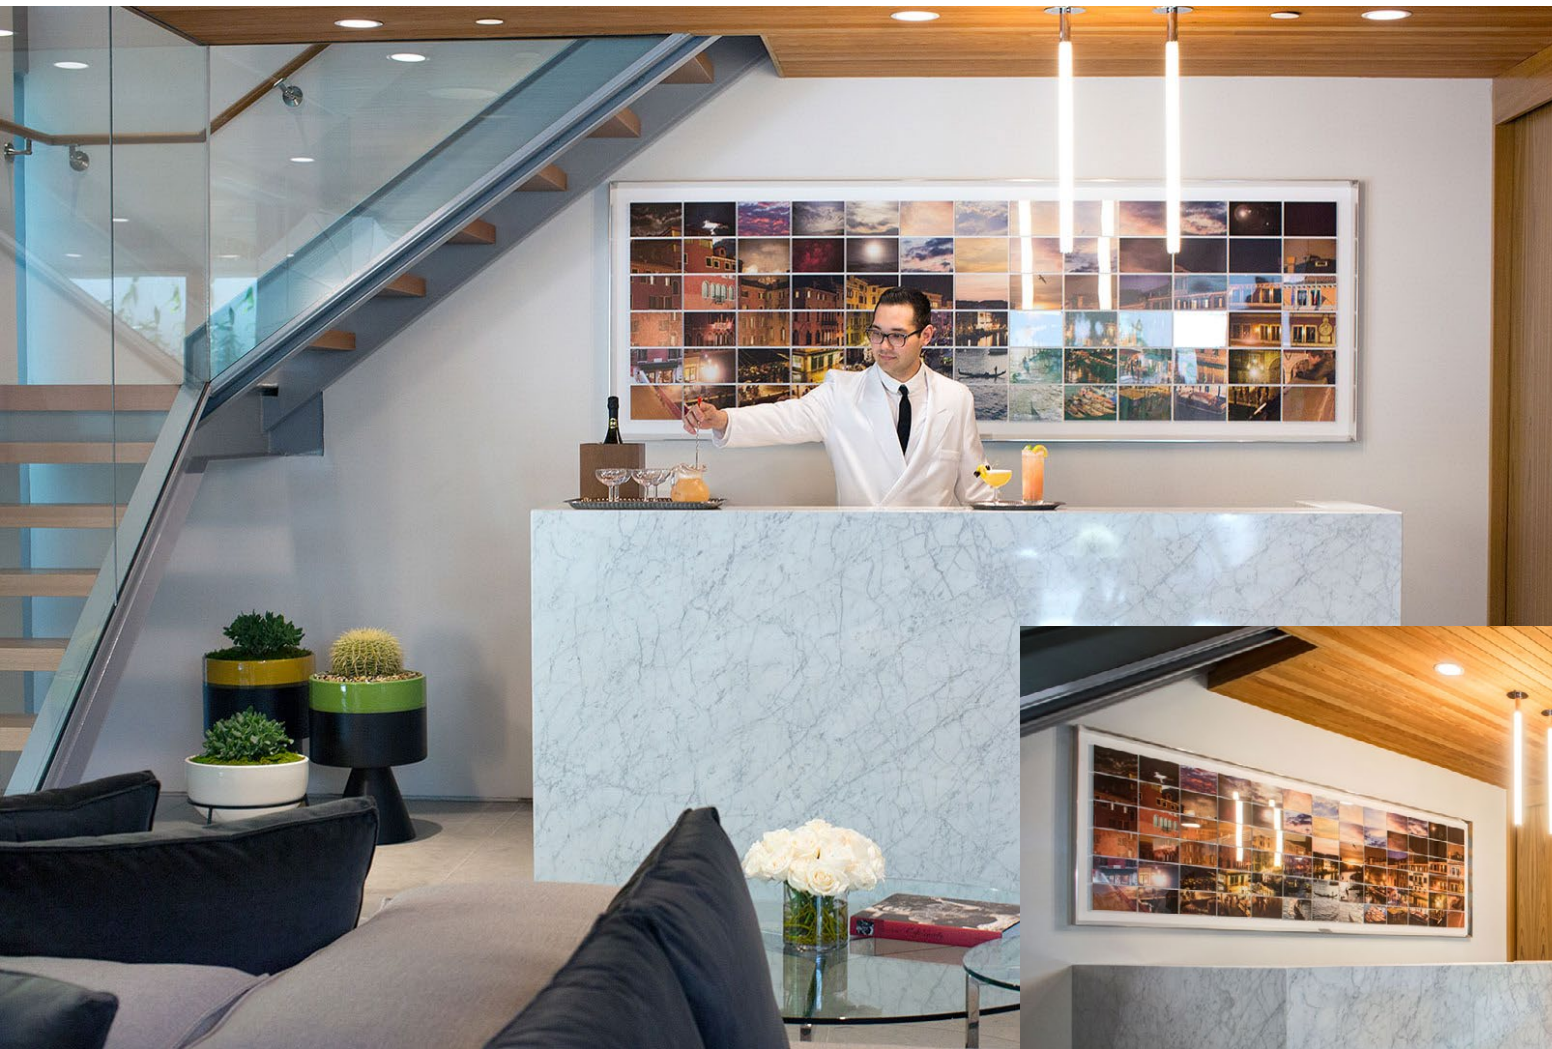

BEVERLY HILLS Los Angeles

MR C. Residences - Beverly Hills, Los Angeles, California, 2017
Rivus Altus art works for the new luxury residences realized by Ray Kappe, iconic californian architect.
