

# WE ARE CROWN DESIGNS.

A widely renowned made-to-measure furniture manufacturer with a focus on luxury hotels, residencies and retail stores.

With our 11.000 sqm manufacturing facility and more than 500 projects completed, we continues providing a wide variety of customers with the best quality and a highly individualized crafting and assembly process.

# MADE IN ITALY AT ITS FINEST.

Established to execute projects of any size on any continent, Crown Designs adds an indisputable touch — sometimes visible, yet often hidden behind cutting edge engineering — to every solution and every space.

# EVERYWHERE IN THE WORLD.

Crown Designs combines design and manufacturing excellence with full control over logistics and installation anywhere in the world.

# EXCELLENCE AT EVERY STAGE.

- Project management.
- Engineering and prototyping.
- Wood, metal and glass manufacturing.
- Transportation and logistics.
- Finishing and assembly.

# EXPERTISE FOR EVERY SECTOR.

- Residential.
- Hotels and restaurants.
- Retail.

# OUR PRESIDENT.

Princess Astrid Von Liechtenstein's entrepreneurial journey extends beyond just furniture production and the promotion of the Method. In more recent years, it has also encompassed the growth of Pharmathek, the company she founded together with her husband Prince Alexander to build and market automated storage systems for pharmacies. Nowadays she collaborates with luxury brands and renowned designers, while also supporting various charitable causes.

# A HINT OF HISTORY.

Crown Designs is a brand with a rich history. For over a century, our identity has been defined by architectural expertise and handcrafted products, brought to life by the skill and dedication of Italian master artisans.

# SELECTED PROJECTS.

Everything dedicated to the world of hospitality is elevated by the creativity of our Italian designers and artisans, delivering unforgettable results.
