

poModone[®]

your comfortable relaxation...

Ideas come from needs
and it is precisely the
need for comfort that
moves our soul.

We inspire all those accommodation facilities
that want to stand out in the market by
bringing new ideas of relaxation in luxury
that allow to play with modern and versatile
products.

Since 2008 we interpret Relaxation at 360° in terms of:

Design

Creating lines of products that can be adapted to any environment and any situation

Fun

Renewing the concept of relaxation and reworking it in all its forms

Innovation

Developing our personal concept of design innovation through a revisiting of shapes, colors and materials

Health

Studying ergonomic products designed to indulge in a pleasure of rest in an embrace that is modeled to the body

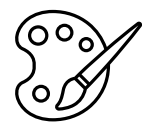

Our services:

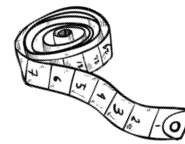

Planning & production

Our team will follow you in any phase of the process, from the planning to the final production.

Customization

Realized through different techniques.

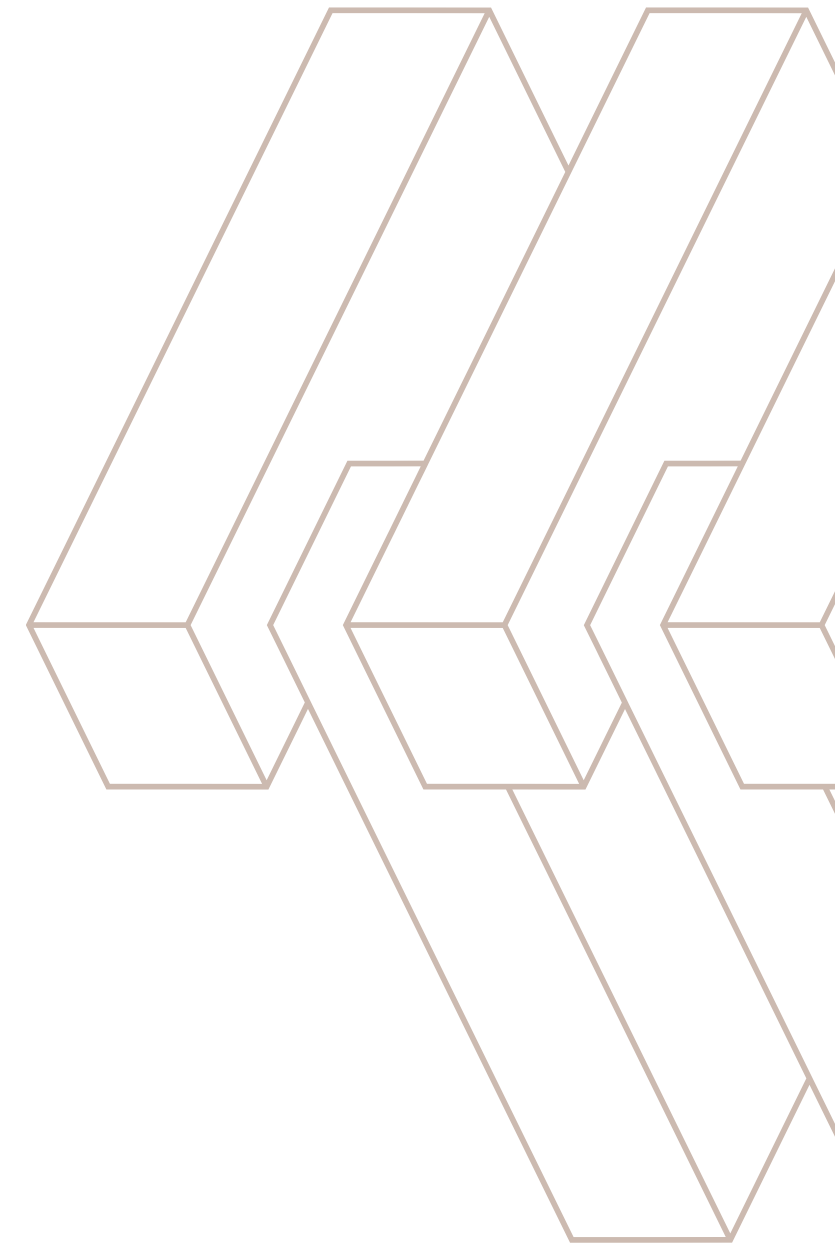

Tailor-made realizations

We realize tailor-made products to meet any customer request in terms of dimensions, colors or other needs.

Pre and post sales assistance

We offer constant assistance to solve any doubts or problems.

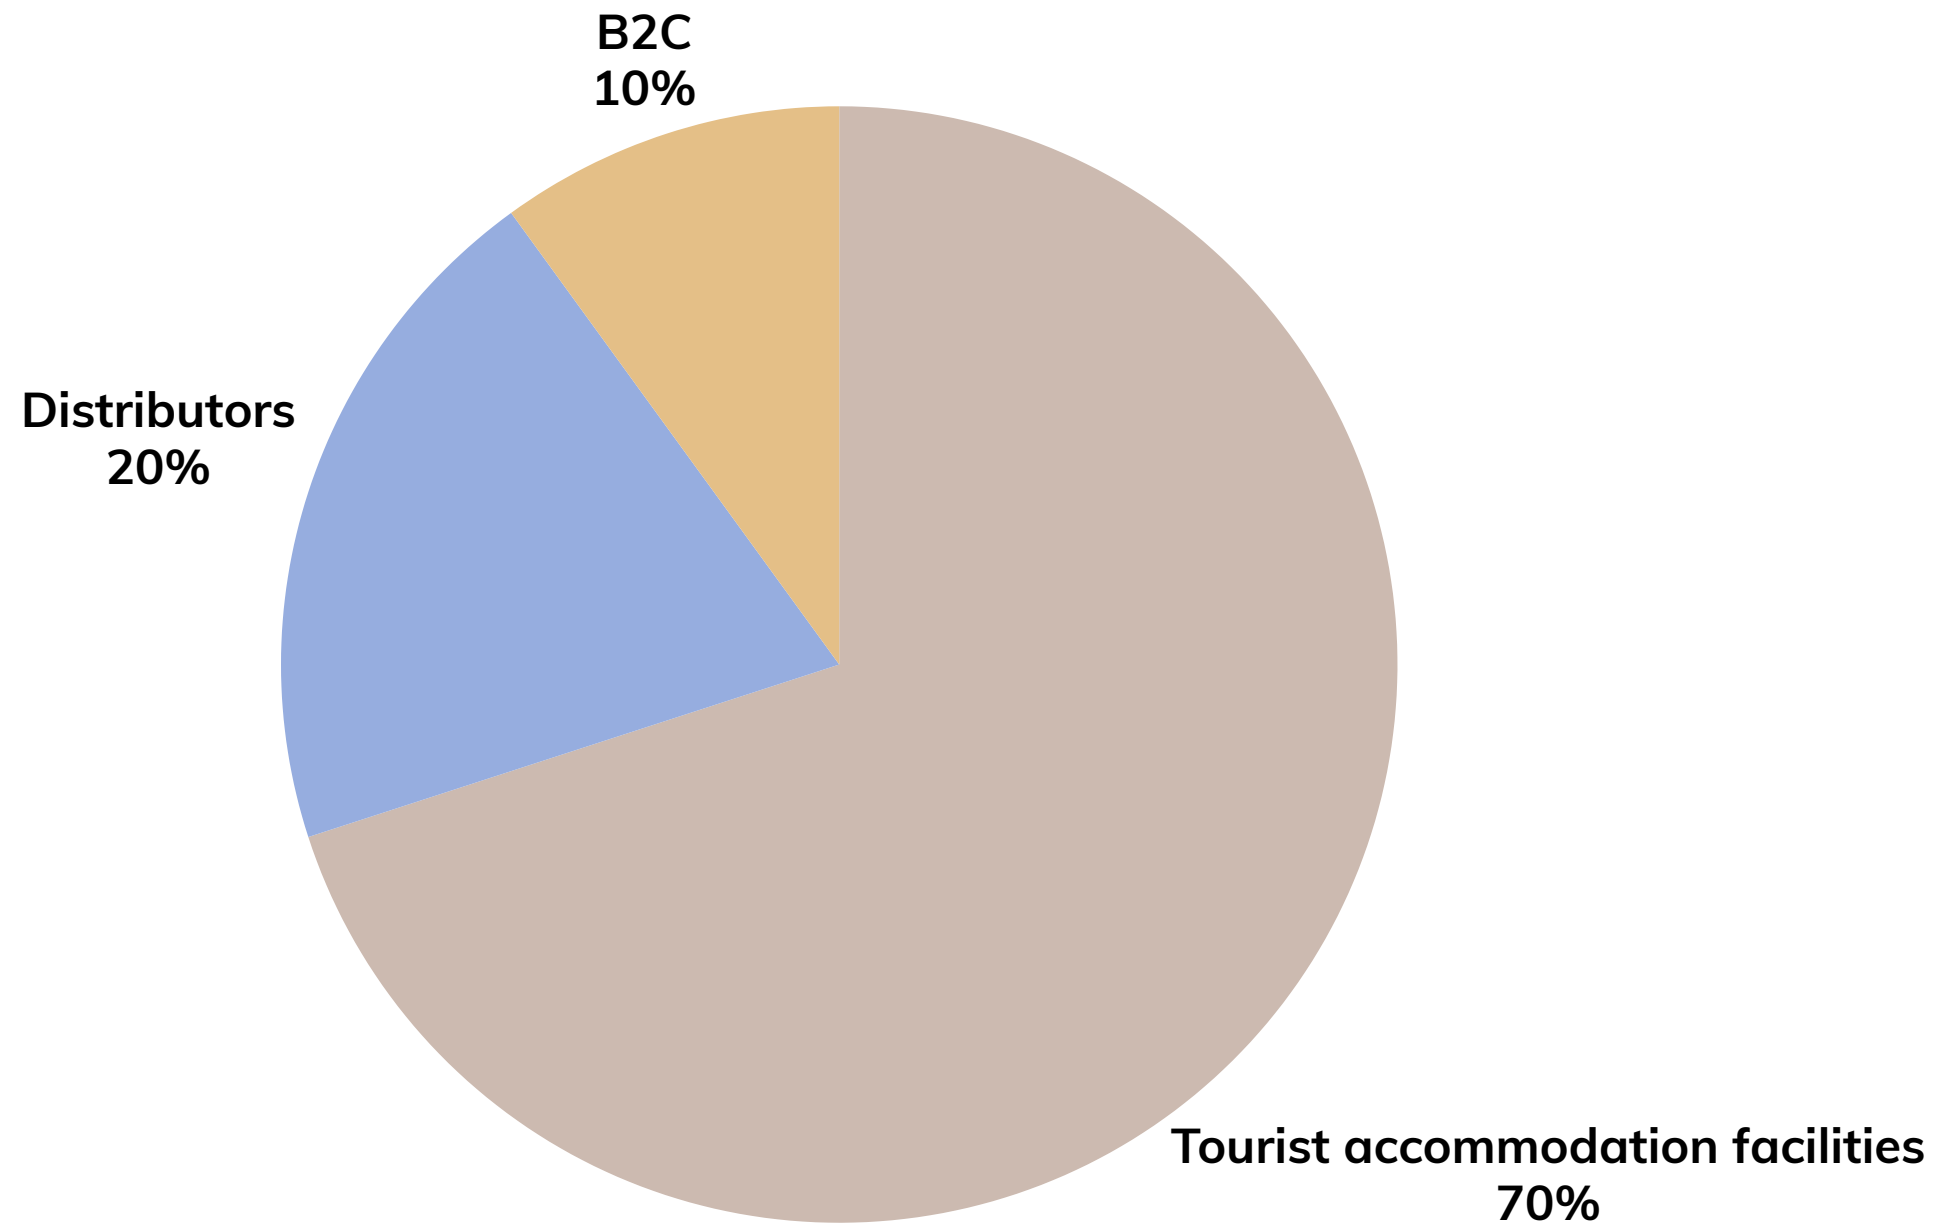

A couple is relaxing on inflatable floats in a swimming pool. The woman is wearing a white bikini and sunglasses, and the man is wearing blue swim trunks. They are both smiling and looking at each other. The pool water is clear blue, and the surrounding area is paved with light-colored tiles. In the foreground, the legs and feet of other people are visible, suggesting a busy pool environment.

Who we work for?

Today we are present in many accommodation facilities with which we collaborate to offer a 360-degree relaxation. For this reason we decided to show you some of the most representative locations we have worked with for many years.

Pomodone is always ready to improve the quality and comfort of hotels, wellness centers, clubs, beach resorts, discos or public areas by offering innovative and refined products which have been designed to guarantee the utmost professionalism and relaxation.

Our customers' opinions

Hotel Seehof

We bought two types of products: black mattresses and poufs for the terraces of our juniorsuites. We are very happy with this choice that has found great feedback from our guests. These are beautiful and very practical products, easy to care for. We can really recommend Pomodone company!"

Niki Beach

"Whole range of state-of-the-art products of the highest quality. I have been a customer for several years and I remain increasingly enthusiastic about their items. Highly recommended for those aiming for excellent results!"

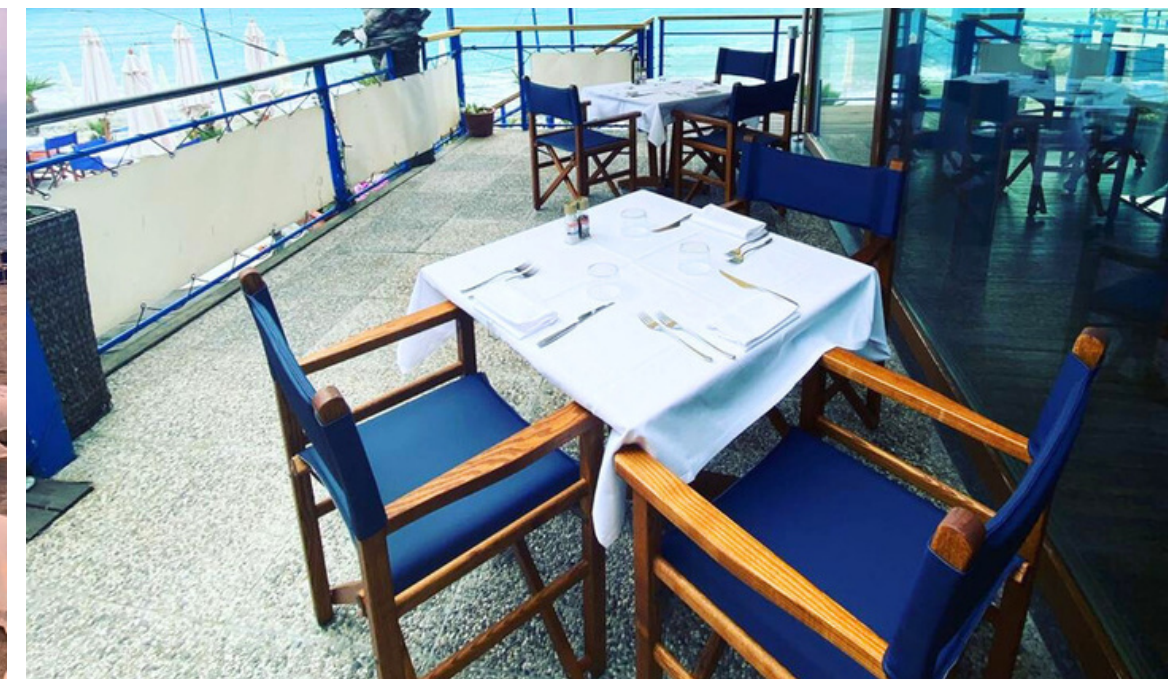

Parco Del Lago

"Great quality, punctuality, aesthetics and relational skills. The possibility to customize your product makes a big difference. A real (beautiful) discovery."
