OUR VALUES

Italian roots

At Biokosmo we believe that the true ITALIAN BEAUTY is rooted in natural ingredients of our country, this is the real meaning of brand BOKOSMO – Italian Roots –

Our cosmetic line 100% Made in Italy is created to relive the inebriating scents and luxurious textures of the ingredients that the Italian territory generously gives us.

Natural beauty

BIOKOSMO embraces the power of Nature.

Therefore, we manufacture our products respecting the territory and its fruits ensuring that every purchase contributes to a more sustainable world.

Our products are made of:

- 100% Natural and organic ingredients
- Sourced from a totally biological agriculture

We only choose quality, purity, nature and eco-sustainability.

High quality and safety standards

BIOKOSMO wants to grant quality and safety to each product.

For this reason, we firstly submit each cosmetic to stability, dermatological and nickel test and then we register them at European level with PIF and CPNP.

Our aim is to achieve safe and certified products before selling them.
