

# YOUR WEDDING IN FLORENCE

BESPOKE WEDDINGS AND EVENTS PLANNERS IN TUSCANY

## About Us

*Your Wedding in Florence* is a destination wedding planning agency based in Florence. It was born in 2017 and founded by Rita Tavella, an Italian American native New Yorker with over 20 years of experience in congresses and events organizations. The agency has an internal staff of **15 professionals** capable of creating memorable tailor-made events thanks to their skills. We take care of the design and planning of every part of the event: from the most exclusive venues scouting in Tuscany to the best suppliers' selection, from the **graphic consultancy** for your stationery to the planning of your honeymoon, from the **concierge services** to the creation of some **exclusive experiences** for your guests such as wine tours, cooking classes, and welcome parties. Whether it's a romantic experience, a wedding proposal, an elopement, a vow renewal, or a big event, *Your Wedding in Florence* will coordinate every little step to make your big day unique and memorable.

# 7 reasons to choose Your Wedding in Florence

## 1 Experience

Over twenty years of event-creating experience make it possible for us to offer you personalized and highly qualified services.

## 2 Teamwork

A multilingual team of 15 professionals will be at your complete disposal for the event realization. From the graphic consultancy to the local concierge service.

## 3 Multiculturalism.

Thanks to our working and life experiences we are able to fully embrace and get the whole picture of our clients stories, needs and wishes to create the best possible, accurate and unique service.

**4 Knowledge of the territory**  
Our knowledge of the territory is vast and deep. We have worked in every region of Italy creating a trusted and valuable network of suppliers capable to satisfy any type of request.

**5 Passion**  
Our professionalism means everything to us, and we carry it out with passion and dedication.

**6 Attention to details**  
We are meticulous, and particularly attentive to each and every detail of our clients' events.

**7 Privacy**  
We like to protect our clients' privacy and everything related to the organization of their events. We consider this a fundamental part of our profession.
