Opulenta semplicità, Antares ed Aries mostrano i due volti della stessa personalità. Importanti parallelepipedi, impreziositi da bottoni gioiello e da luminosi tessuti dalle nuances più insolite ed eleganti. Una reinterpretazione lussuosa del classico capitonnè, il più classico dei divani, che con Mito si veste di glamour e si dispone su volumi dalla presenza quasi scenica. La geometria crea forme, Mito le impreziosisce.

Opulent simplicity, Antares and Aries show the two faces of the same personality. Important parallelepipeds, embellished with jewel buttons and bright fabrics with the most unusual and elegant nuances. A lustful reinterpretation of the classic capitonnè, the most classic of sofas, which with Mito is dressed in glamor and is arranged on volumes with an almost scenic presence. Come una navicella spaziale, Noctua accoglie i suoi passeggeri avvolgendoli di comfort. Giochi trapezoidali, ironiche sospensioni vengono interpretate attraverso la ricercatezza dei rivestimenti e l'eleganza delle nuances. I contrasti cromatici possibili vestono perfettamente le ombre create dai piani obliqui che incontrano rassicuranti linee perpendicolari, facendo di Noctua un divano dalle prospettive più disparate.

Like a spaceship, Noctua welcomes its passengers by wrapping them in comfort. Trapezoidal games, ironic suspensions are interpreted through the refinement of the coverings and the elegance of the nuances. The possible chromatic contrasts perfectly dress the shadows created by the oblique planes that meet reassuring perpendicular lines, making Noctua a sofa with different perspectives.
