

CESINI DESIGN

COMPANY PROFILE

LED LIGHTED AND BACKLIT MIRRORS
Made in Italy quality for your design.

ITALIAN EXCELLENCE TO LIGHT UP THE FUTURE OF INTERIOR DESIGNING

We at Cesini Design aim at satisfying the needs of the interior and bathroom design industry thanks to the manufacturing of LED lighted and backlit mirrors.

Elegant design, advanced technology and Italian craftsmanship are the cornerstones of our products.

WHO WE ARE

DESIGN, INNOVATION, CUSTOMISATION

Our LED backlit mirrors offer both functionality and aesthetics, seamlessly fitting any space. Our customisation options also allow the customer to bring its unique vision to reality.

OUR VALUES

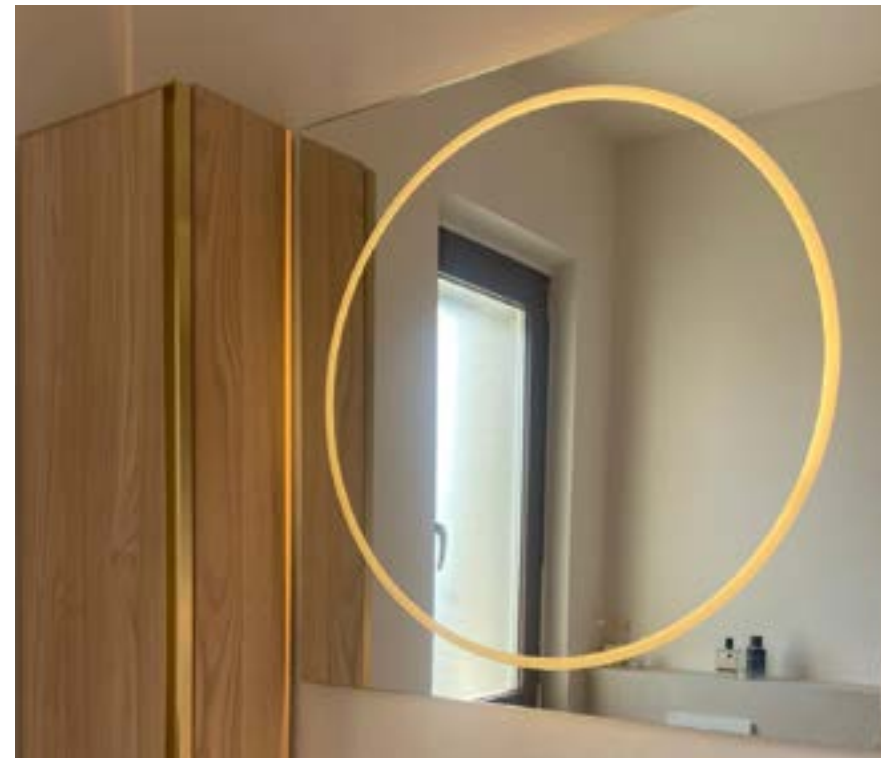

MADE IN ITALY

Our backlit mirrors are a symbol of Italian manufacturing expertise and Italian design. Each piece is manufactured with premium raw materials and meticulous attention to detail, ensuring timeless elegance, functionality and durability.

SUSTAINABILITY

We are actively engaging to reduce the environmental footprint through efficient manufacturing processes, the employment of eco-friendly materials and energy-efficient technologies. Our products are made to blend innovation and sustainability.

“We’ve chosen the backlight mirrors for our new showroom. The results were incredible: the quality and the beauty of the mirrors are astonishing.”

- G. L. General Contractor

“Reliability, on-time delivery and attention to detail. We couldn’t be happier.”

– M.T. owner of a bathroom furniture shop
