ABOUT US

Englobe is an Integrated Design Consortium, born from the collaboration of three established companies: Studio Paci, who focuses on Restoration and Structural Consolidation of listed buildings; Beta Progettazioni, expert in Plant Engineering and Fire Prevention Building Advice, qualified in Construction Management and Business Services activities.

The collaboration between our companies enables us to share knowledge and mutually exchange experiences for continuous learning. In addition, our new reality is more competitive, being able to offer a more integrated and specialized design service.

OUR OFFICES

ENGLOBE soc. cons. A r.l. is composed of professionals who represents Marche's region historical reality. At the present time, it is divided into six operational offices, four of which are in Pesaro, while one in Fano and one in Milan.

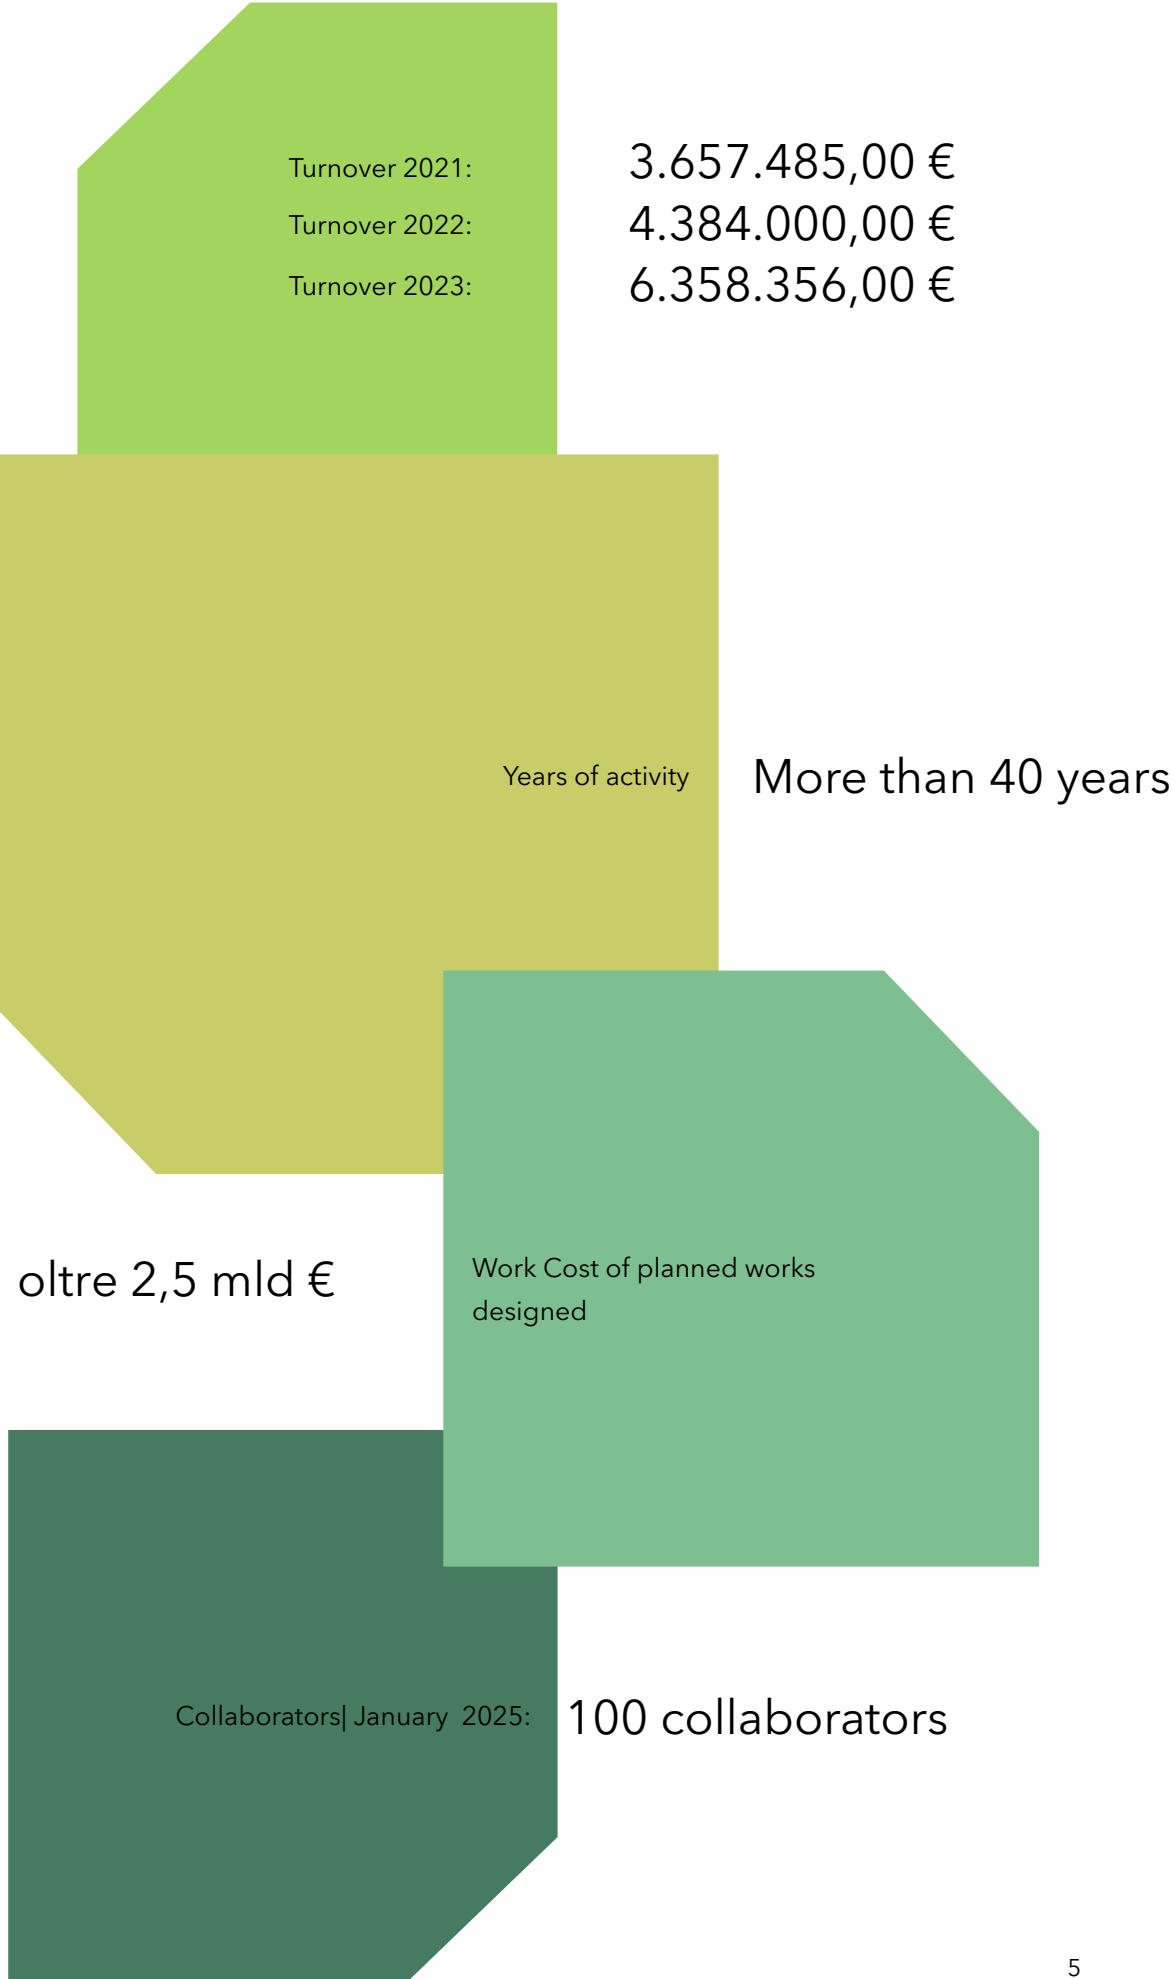

1. Piazzale Primo Maggio 9 _ Pesaro (PU) 61121 _ Tel. 0721 31969
2. Via Cavour 15 _ Pesaro (PU) 61121 _ Tel. 0721 1722740
3. Via Castelfidardo 87 _ Pesaro (PU) 61121 _ Tel. 0721 1722910
4. Corso XI Settembre 84 _ Pesaro (PU) 61121 _ Tel. 0721 31969
5. Via Einaudi 72 _ Fano (PU) 61032 _ Tel. 0721 855244
6. Via Pagano 51 _ Milano (MI) 20145 _ Tel. 02 09977900

TEAM MEMBERS

We are a team of highly qualified professional team, whose individuals present heterogeneous experiences as well as an agile and practical approach to each project. ENGLOBE soc. cons. A r.l. boasts a team of over 100 employees and collaborators, of which about 70% are under 35 and 50% are women.
