

# MAISON MANYAR

## ITRI CATALOG

---

## THE BRAND

---

Founded on the idea of understated and refined luxury, it stands out for the use of the highest-quality materials and meticulous attention to artisanal details. Each collection embodies a perfect balance between simplicity and bold character, expressing a timeless elegance. With clean, sophisticated lines, the Maison speaks to those who seek an essential yet distinctive aesthetic, defining a new standard of luxury that celebrates authenticity and discretion.

MAISON MANYAR

---

## P R E S E N T A T I O N

---

The ITRI mules by Maison Manyar embody the essence of Italian artisanal luxury, combining minimalist design and premium materials to create footwear that transcends fleeting trends. Entirely made in Italy, these mules are crafted from full-grain calf leather, offering exceptional softness and durability. The iconic accessory, a distinctive symbol of the Maison, adds a touch of understated elegance.

Thank you for taking the time to explore our catalogue.
