GROUP

COMPANY PROFILE

WHO WE ARE

*A story of passion, tradition, and
love in the heart of Puglia.*

Ciarciello Group is born in the sunny lands of **Tavoliere delle Puglie**, specifically in Foggia, where tradition meets innovation.

A 60-year-long story: From a small company to a leader in the fruit and vegetable sector

It was the early **1960s** when ***Giovanni and Lina***, with determination and love for the land, decided to cultivate small plots. Since then, **two generations** have carried on their legacy, turning that **small company** into a **leading group** in the fruit and vegetable sector.

We take care of all the processing stages

Ciarciello Group is not just a company, but a **family**, that takes care of every stage of production, from sowing to packaging, to ensure customers only get the best.

MISSION & VISION

Mission

.....

Ciarciello group is passion for the land and its fruits, it is a desire for the authentic flavors of organic agriculture. Our goal is to provide the best products, born from an innovative and sustainable tradition.

Vision

.....

A constantly evolving future in which research and innovation are the nourishment for an increasingly unique and valuable proposition.

Every season is
perfect for cultivating
with care and love

150 hectares of land cultivated
with **love and passion**, where
every vegetable has its own time
and space to **flourish**.

Tradition, innovation and flexibility

For **over sixty years**, we have dedicated ourselves to agriculture with **passion and innovation**.

We offer **15 high quality products** and are ready to embrace market challenges, exploring new growth opportunities.

FROM THE FIELD TO THE FROZEN

To continue growing and innovating, and to meet the increasing market demand, we have decided to add frozen products to our offerings

CORE BUSINESS

ONIONS

.....

The onion is the **heart of our business**. Thanks to years of research, we have acquired such know-how as to become **national leaders in peeling**, supplying **30,000 quintals of peeled onions** annually to the main companies in the frozen food sector.

CAULIFLOWER

.....

Since **2016**, cauliflower has become our **core business**, with an annual production of approximately **200 hectares**. Through variety studies and careful plant selection, we are committed to providing the **best cauliflower** to our partner companies.

Quality is our goal

Safety and quality are the company's main targets, this is why Ciarciello Group has obtained major national and international quality certifications.

The certifications:

Tradition meets innovation

In **2020**, we began construction on a new facility of **3500 square meters** with **3 cold storage rooms**, demonstrating our constant commitment to **growth** and **improvement**.
