

TERESI

Tradition, passion and quality:
Three fundamental ingredients for a fine coffee product.

Our Story

Italian Passion in Every Cup

Giovanni Teresi founded *Caffè Teresi* in 2020 with the goal of bringing an **authentic coffee experience** into people's homes - a true expression of **Italian tradition** at its finest.

After years of **experience** in the **family business** and **local roasting facilities**, he combined **artisanal expertise** with an **international outlook**, shaped by his **travels** and work abroad.

His **blends** are the result of a balance between **intuition** and **technique**, embodying a vision of coffee that **brings people together** and **crosses borders**.

Today, *Caffè Teresi* is expanding both in Italy and internationally, keeping **quality**, **culture**, and **passion** at the core of its mission.

What Sets Us Apart

The Art of Craftsmanship

Since day one, *Caffè Teresi* has been a true **artisanal coffee**, crafted with **passion** and **expertise**. We carefully select the **finest green coffee beans** and create **premium blends** through a **meticulous roasting process** that honors the **essence of each bean**.

The result?

A **distinctive aroma** that captures the **true spirit of Italian espresso**. Thanks to its **superior quality** and **artisan craftsmanship**, *Caffè Teresi* stands among the **finest medium-to-high-end roasters** - perfect for those who appreciate **coffee with character**.

Only on request for ***mocha lovers***

Productivity and Quantities

Italian Artisanal Product and Commercialization

- **Italian artisanal quality**, always fresh and excellent.
- **Production times** vary depending on volumes.
- Each **supply** is planned from **bean to packaging**, respecting the production cycle.
- In a constantly evolving market, for **large quantities**, it is essential to work with **clear timing** and **agreements**.
- We offer **catalog products**, as well as **custom blends** for **discerning clients**.
- Possibility of **commercial exclusivity** and openness to new channels, if economically beneficial for both parties.
- We only ask for **continuity** and a **minimum order** to ensure the best service.
